My mother and father have been in and out of hospital these last weeks. My 85 yr old dad has an enlarged prostate and has to cope with a cathata, but my mother has a cancer tumour in her chest that's spread to her brain.

Charlize Theron

,

May 20, 8:37 PM

You never told me love Why??

TrinityAries1

,

May 20, 8:39 PM

My mother has only been diagnosed with a tumour yesterday and it was only discovered by accident when a hospital nurse heard her breathing difficulties when she phoned to ask how her husband was doing. She went in by ambulance yesterday and is at home this evening.

My dad's issue is about 10 days old news.

I wasn't too sure how you'd feel about a conversation about my dad's prostate sweetheart X

Charlize Theron

,

May 30, 5:24 PM

[SEP] And I was worried ,I tried coming close but you kept chasing me away and I and [REDACTED] started crying . [SEP] And it began to rain I and [REDACTED] was under the rain with you and you looked at us and you stood up and hugged [REDACTED] and I. [SEP] So the next thing I saw was two dogs who were hurt and Micheal helped the dogs. And we looked at him so proud of him. [SEP] We got home saw the girls smiling at us and we rushed in and headed straight to the kitchen to cook something to eat. [SEP] [SEP] Please I really want you to know something love . I AM YOUR WIFE AND I LOVE YOU SO MUCH. We both needed each other ,the kids needs us,the children needs us too. [SEP] I know we can do a lot together. [SEP] Don't give up yet I beg of you .

It's nice you have okay .
And there will be a screen test alright

TrinityAries1

,
Jun 13, 11:52 AM
I just told my employer that I will hand in my notice if they still refuse me access to the office unless I am vaccinated.
I specifically asked if I was able to work in the office and they misled me.

Charlize Theron

,
Jun 13, 12:00 PM
That's not nice
So what's your plan now love ?

TrinityAries1

,
Jun 13, 12:06 PM
My employer is going to discuss it tomorrow and if it's ok I will work in the office or give them 4 weeks' notice if it's not ok.

Charlize Theron

,
Jun 13, 12:13 PM

Just know you have my support in any decision you make okay . And if you ever need a lawyer just let me know .

TrinityAries1

,
Jun 13, 12:19 PM

Thank you sweetheart

Charlize Theron

,
Jun 13, 12:22 PM

You're welcome my love

What are you doing now and how's my Prince Charming?

TrinityAries1

,
Jun 13, 12:37 PM

The job is nothing to worry about - I am in my truth and whatever is decided tomorrow is ok. I will continue or I will leave. I'm just having lunch now then taking an eBay item to the post office. Then I'm looking at old boat projects that I might buy. I need to go on a voyage very soon. [REDACTED] is at school and I'm looking forward to his post hypnosis feedback about his cricket playing- he has the potential to be the best batsman in his year and I want to encourage that. What are you upto sweetheart and how are the orphans doing?

Charlize Theron

,
Jun 13, 12:40 PM

That's nice love Thanks for all you do

We lost a child yesterday but I believe God has a reason for that . I have a doctor appointment soon. And also a meeting with my team in some hours time .

TrinityAries1

,
Jun 13, 12:41 PM
I'm sorry for your loss sweetheart X
I hope all is well with you regarding the Doctor sweetheart X

Charlize Theron

,
Jun 13, 12:44 PM
Thanks love
Not really love All is not well but I will be fine
I'm fighting so hard for us to meet and spend some time together. Truth be told I was so sad when you refused sending the £500 I know you
have every right not to but I had plans and it was ruined

TrinityAries1

,
Jun 13, 12:54 PM
I'm sorry you are unwell and I'm confused as to why it's hard to meet.
I hope you get well soon sweetheart X

Charlize Theron

,
Jun 13, 12:56 PM
Only if you can trust me love . I have my plans.

TrinityAries1

,
Jun 13, 1:12 PM
I'm in a lot of emotional pain

Charlize Theron

,
Jun 13, 1:13 PM

Me too
We need to be together

TrinityAries1

,
Jun 13, 2:09 PM

This is totally broken and pointless. Please stop contacting me.

Charlize Theron

,
Jun 13, 2:17 PM

Okay ❤️

TrinityAries1

,
Jun 13, 4:28 PM

All I wanted and deserved was a phone call and your thanks. Instead you chose to prolong my suffering about your identity and toyed with my heart for 10 months. Here's your only lifeline, call +447943658836 and say "Thankyou". I forgive you but I deserve much better treatment than that.

Charlize Theron

,
Jun 13, 4:49 PM

You the one hurting yourself love by not trusting me. By thinking you talking to someone else . And I want to teach you how to trust .

Charlize Theron

,
Jun 15, 5:41 PM

If you continue like this you will never get a call from me or even see me . I hate conditions. If you want all this then you need to go back to the man you were .

TrinityAries1

,
Jun 17, 8:26 PM
Love the schwartz hair sweetheart X

Charlize Theron

,
Jun 18, 9:38 PM
Why you keep torturing me?

TrinityAries1

,
Jun 19, 11:08 AM
[REDACTED] stepped up for Father's Day

TrinityAries1

,
Jun 20, 8:52 AM
I experienced an extremely vivid dream last night with you, your mother and an attorney as witness. You were signing something.

TrinityAries1

,
Jun 20, 9:17 AM
It was a document divorcing of old energy and a marriage of new energy.

Charlize Theron

,
Jun 20, 11:04 AM
If you continue like this you gonna ruin everything. Your dream was true . A lot is happening here but you keep getting me scared.

TrinityAries1

,
Jun 20, 11:53 AM

What would you like me to do? What would you like me to stop?

Charlize Theron

,
Jun 20, 11:58 AM

Stop doubting . Start being the way you were when we started talking .

TrinityAries1

,
Jun 20, 2:44 PM

I understand. I'm changing. I'm aware that I was not loving myself and was depressed about it. I made a decision that I would not wait for any help and am stepping up for [REDACTED] sake and my own. I'm on an intermittent fast / diet / juice cleanse and HIT exercise regimen to drop 60 lbs. Started 3 days ago and 5 lbs already gone. Diet all changed and I'm experiencing far less depression.

The transformation has begun.

TrinityAries1

,
Jun 20, 2:58 PM

I'm very grateful to you for tolerating me and not indulging me when I was depressed.

Charlize Theron

,
Jun 20, 3:22 PM

I want to be there always for you and Micheal. That's what family is all about.

TrinityAries1

,
Jun 20, 8:46 PM

That is simply untrue, from your own actions, you simply were not there for me on my birthday or Father's Day or a month ago when my mother was diagnosed with cancer and I was very upset and really needed you. So I'm hearing you say many things that you simply don't follow

through with. Not to mention the multiple promises of meeting 'soon'. I'm calling you out here. Are you lying or telling me the truth? Because it's very hard to ignore all of that and feel how I did right at the start.

Charlize Theron

,

Jun 20, 9:01 PM

You only see things your own view .

TrinityAries1

,

Jun 20, 9:04 PM

What's your truth then please?

TrinityAries1

,

Jun 20, 9:14 PM

Charlize Theron

,

Jun 20, 9:42 PM

It's okay . Time shall tell

TrinityAries1

,

TrinityAries1

,

How are you doing sweetheart? X

Charlize Theron

,

Wtf is wrong with you . Or are you using this as an excuse

TrinityAries1

,
Jun 21, 10:08 PM
I'm stoic and take responsibility for my financial situation.

Charlize Theron

,
Jun 21, 10:08 PM
No, you're not
You only using that as an excuse

TrinityAries1

,
Jun 21, 10:09 PM
Plus I'm unable to understand how increasing my debts by donating to you is helping me get out of debt. This feels inverted.

Charlize Theron

,
Jun 21, 10:10 PM
You have to trust me .
Let me help okay

TrinityAries1

,

Charlize Theron

,
Jun 24, 10:58 AM

Funny

Well you gonna discuss that with them when you receive the email okay. Best of Luck

Charlize Theron

,
Jun 24, 11:03 AM

Why you so negative.

TrinityAries1

,
Jun 24, 11:33 AM

You have made me multiple promises and have delivered none of these and it's been 10 months 2 weeks. This goes no further unless you provide proof of identity. I.e. a call.

Charlize Theron

,
Jun 24, 12:13 PM

You gonna ruin everything yourself if you continue this way. You only care about yourself, you do things that makes you feel alright without thinking of the other person.

Charlize Theron

,

Jun 24, 12:27 PM

Do you know what it took me to make this project of yours a success.

Now you wanna ruin everything because of your stupid negative mindset.

Charlize Theron

,

Jun 24, 10:59 PM

How's my son?

TrinityAries1

,

Jun 25, 9:02 AM

Listen You don't have to plan elaborate things to show men love. Showing up is all you need to do. Until you can accept that I'm going to halt communication here. You have my number and if anything you said was real then you'll meet a slimmer me, who has faced and healed huge emotional wounds and will always own his shit, if not, then (and to use your words) you are not the person I thought you were. You can feel that this time I mean it. I've lost 9lbs in 7 days and am in a serious transformation. All you need to ask is do you want to be a part of my future. I love you sweetheart X Good bye until you want to let me in.

Charlize Theron

,

Jun 25, 9:09 AM

I am to ask you that . Do you want to be part of my life and future?

Charlize Theron

,

Jun 25, 9:18 AM

You keep destroying my Peace. You don't even care about me.

Charlize Theron

If you still want to avoid calling me then I shall be compelled to report all data to US law enforcement for impersonation crime. You are clearly grooming many men with promises in order to get money.

Charlize Theron

,
Jul 20, 1:59 PM

This the funniest shit have ever heard in a long time . Do you know what it means to make a woman love you and also her children and you keep hurting them mentally

You making us go through pains ,you being self centered hurts a lot . I called and a woman picked and you want me to do that shit again. If you cnt be patien enough then you free to go be with your amazing woman. I was having a peaceful life alone before you came in. I let my guards down for you and this is what I get in return. Humiliations

Charlize Theron

,
Jul 20, 2:12 PM

You ignored my messages couple of times ,I called you on WhatsApp you muted the call so what do you want ? Kill myself ?

Charlize Theron

,

Jul 20, 2:18 PM

TrinityAries1

Charlize Theron

,

Jul 23, 10:52 AM

Thats okay my love . I'm doing great . Working my ass out and same time having fun.

Love I was thinking it's best you make the remaining \$1,000 payments so we know everything is okay here and we wait for Hollywood. I believe in you so much and all you do and I know your story is gonna be one of a kind for everyone to see and learn from. I love you and so proud of you Don't ever forget that .

Charlize Theron

,

Jul 23, 2:18 PM

I need you here so bad 🥺

TrinityAries1

,

Jul 23, 7:57 PM

TrinityAries1

,

Jul 23, 9:34 PM
Payment for what?

Charlize Theron

,

Jul 23, 9:38 PM
I told you already love

Charlize Theron

,

Jul 23, 10:31 PM
We might be together before September. The payment is for Hollywood to help get something's together for your story. You have to send the pages asap okay,

Charlize Theron

,

Jul 24, 8:38 PM
Is everything okay ?

Charlize Theron

,

Jul 24, 10:40 PM
There you go again ignoring me. Wtf is wrong with you man ??

TrinityAries1

,

Jul 25, 10:23 AM
Have Denver and Delilah productions contact Voyage Media if you require a payment in relation to The Rose Epiphany. For all other matters just phone me. The brief flurry of recent missed and silent calls does count as a phone call and proof of identity. I'm re-iterating that you must do something to change my perception of the situation in which you have made multiple promises of which none have materialised. I'm no longer feeding the narrative of continued excuses from you. I love you but you must phone me and have a conversation or stop contacting me.

TrinityAries1

,

Jul 25, 10:42 AM

Correction The brief flurry of recent missed and silent calls does not count as a phone calls and proof of identity.

Charlize Theron

,

Jul 25, 11:46 AM

Yes they have .

When are you sending the pages ?

TrinityAries1

,

Jul 25, 12:13 PM

Have Denver and Delilah productions contact Voyage Media in relation to The Rose Epiphany.

I'm grateful to you for the last few months

Charlize Theron

,

Jul 25, 12:13 PM

Yes they have love

TrinityAries1

,

Jul 25, 12:15 PM

Having to find new strength to rebuild myself would not have happened without you. No they haven't as far as I'm aware and I'm in contact with Bonnie Solomon recently to verify.

Charlize Theron

,

Jul 25, 12:20 PM

I think you should let me handle this myself okay

Please I beg you Let me handle this myself . I don't like third party. Or I'm just gonna give up everything concerning The Rose Epiphany

Charlize Theron

,
Jul 25, 1:27 PM

I'm grateful to you for everything. Trust is very important in a relationship.

TrinityAries1

,
Jul 25, 2:30 PM

Ok if you wish to review the book and edit it with me then so be it.

TrinityAries1

,
Jul 25, 2:32 PM

I have my vat to do then I need to re read the entire 585 pages and then decide what to do.

Stand by.

I need to decide if I'm throwing that book away and imparting the information in another story or not.

Charlize Theron

,
Jul 25, 3:16 PM

Hey I believe so much in you okay . And you not in this alone .

Send it okay so I can see and know where to make corrections and edit okay and make the payment alright asap. I love you

I have just caught up with him on the phone. He's been at art camp making a pottery tortoise model. He's having fun with his cousins, but is looking forward to seeing his dad on Saturday to see the new Thor movie. How are all the orphans doing and your kids sweetheart?

Charlize Theron

,
Jul 26, 8:41 PM

Charlize Theron

You free not to send to the kids okay. If that's what you think of me Christopher.

Charlize Theron

You really destroying my peace . If you tired of me or maybe you already found someone please tell me. So I can let you be
I'm all alone . I need you so bad . I don't have to beg for that or prove to that my intentions toward you are true .

TrinityAries1

,
Jul 28, 10:08 AM

I am not looking for anyone else. I understood that you wanted a real relationship with me. Which is what I want too. So much so that I am
loosing loads of weight so that I am more desirable to you. But I don't understand why you are keeping me in the dark and not simply saying
hello on the phone.

Charlize Theron

,
Jul 28, 10:11 AM

You perfect for me Christopher. You my dream man. Trust me I'm not keeping you in the dark I just want you to heal and trust me and know
that I really want you forever. I love you so much. I don't have much time here on earth. You won't understand but I pray you don't when it's
late. I deserve to be happy .

Have always dreamt,wished and prayed to find a man ,who's gonna love me for who I am,who's ready to support me in making the world a better place. Who had a big heart. And you came in at the right time and ever since I feel so comfortable. You have made a happy woman in so many ways and I pray we don't ruin things . Cuz things are going to be more better soon.

Charlize Theron

,
Jul 28, 3:47 PM

I don't know if you will be happy about this but I want you to take care of the children medical bill just \$2,700 . It will give hope to them and a smile on there faces that there Father still loves them. It's voluntary. Thank you
Thank you September then.

Charlize Theron

Jul 28, 3:53 PM

Will also seek permission from his Mother too .

Why not just pay the \$1,000 for Hollywood and send the pages so you can get your check then invitation. The check will help clear your debt .
Stop being hard on yourself.

TrinityAries1

,
Jul 28, 4:30 PM

I am unable to be creative when I'm in financial difficulty.

Charlize Theron

,
Jul 28, 4:31 PM

I understand. I need you to trust me as your wife .

Charlize Theron

,
Jul 28, 4:36 PM

Here's my advice to you as a wife . Secure your place first by making the payment okay. And I will see what I can do for them to wait a little .

TrinityAries1

,
Jul 28, 4:42 PM

All of this asking for money in lieu of services / access is prostitution. All this stringing me along in lieu of payments is masturbation. Stop jerking me around.

After donating to you, you sought funds for a screen test. Now its funds for my book, yet you never delivered on the screen test. Its a no to donating until I am certain of your identity.

If that changes how you feel then so be it.

If I am not enough for you then tell me and we can part.

Charlize Theron

,
Jul 28, 4:47 PM

You more than enough Christopher. But you have to change your mindset towards me . You don't know my life ,I make sure I text you every fucking day. I don't even text me Mother like I do text you . I can plan something now and next thing something comes up. If you think I'm after your money then you need to have a rethink and if you don't trust me then just tell me please. I beg you .

Charlize Theron

,
Jul 28, 5:05 PM

So we can end this . I cnt be here planning my life and future with you and you don't trust me .

TrinityAries1

,
Jul 28, 5:36 PM

You seem to be unable to trust me enough to just phone me and say hello.

Its you that does no trust me.

I am not the gift that keeps on giving, especially when I feel my heart is being taken advantage of.

You ask me for money literally every other day. I cannot give that much.

Charlize Theron

,
Jul 28, 6:21 PM

I trust you so much Christopher and I will take advantage of you or anyone .

If you cnt give that much then give the one you have .

Charlize Theron

,
Jul 28, 6:25 PM

Never *

Jul 30, 11:30 AM

No you not

If you cnt be with me during my worst time then that's not love .

TrinityAries1

,

Jul 30, 11:58 AM

Call me and I will share your pain

Charlize Theron

,

Jul 30, 12:07 PM

I won't Until you become the man I know .

TrinityAries1

,

Aug 3, 8:27 PM

Sure, in due course. I have my mother's funeral to part pay (her funds are in probate). Then possibly my father's operation, because the National Health Service in the UK won't prioritise him. So you'll need to give me some time.

Charlize Theron

,

Aug 3, 8:29 PM

How much does everything cost ?

TrinityAries1

,

Aug 3, 8:46 PM

Funeral: £4500 Operation: £7500

I need to come up with £1500 and £2500 respectively as my share.

My dad is in constant pain.

Charlize Theron

,
Aug 5, 12:01 PM
Love I need your opinion concerning the Barn So I have 4places in mind 1-Uk 2:South Africa 3:America 4:Mexico Where do you think will be better ?

TrinityAries1

,
Aug 5, 12:16 PM
My first thoughts are questions about: Which country can offer the best physical security? Which animals do you wish to help and where they generally are? Which country will support most income if you wish open it to the public (charge admission to help fund)? Which country is it easiest to get things done in vs most bureaucratic etc? [REDACTED] has always wanted to work with animals too. That is so great that you do. My gut feeling is that you would like South Africa if so, I agree.
I literally just received a photo of [REDACTED] with his Thumbs UP! ;-)

TrinityAries1

,
Aug 5, 12:21 PM

I did tell my ex that [REDACTED] is sunburnt and that he has to have SPF 50!

Charlize Theron

,
Aug 5, 12:49 PM

I want you to help me find out about that okay. I can take care of everything myself . And I will love [REDACTED] to work with me ..lol He's such an amazing boy .

TrinityAries1

,
Aug 5, 12:55 PM

Do you believe in the I ching? That , everything is connected?
[REDACTED] gave me the thumbs up to South Africa and my gut feeling.
Just when I was thinking of him in South Africa with the animals.

Charlize Theron

,
Aug 5, 12:57 PM

Yes love I do . That's beautiful. I was thinking of South Africa too. Wow
So sad you have so much going on right now and it won't be nice asking you to help get something's done to kick off with the barn. But I want you to know that I'm so proud of you and I appreciate you for everything.

TrinityAries1

,
Aug 5, 1:27 PM

South Africa it is then.

TrinityAries1

,
Aug 9, 11:05 AM
Partly yes.

Charlize Theron

,
Aug 9, 11:06 AM
I feel like am a bad wife to you . Am I ? Be honest love

TrinityAries1

,
Aug 9, 11:06 AM
The other reason is that I am still in debt of a very large financial sum and its irresponsible to ignore this or prioritise anything other than its complete reversal.
I wish you would respect my boundaries around this.
I wish you would meet me or disappear, its been a year.
being a wife means being married, which means physically meeting.

Charlize Theron

,
Aug 9, 11:11 AM
My love I understand. We meeting very soon. Everything is already fixed . I just want everything ready okay and now it's 80% ready . So we meeting soon.
I only wanted you to be part of my dream about the Barn. The money I asked of you is just 3% of the total cost . And you won't regret it .

TrinityAries1

,
Aug 9, 11:32 AM
I always regret when my boundaries are being ignored and I give in.
When money is concerned

I have [REDACTED] to look after and a duty to be a parent who can manage his expenses without difficulty
I have a duty to get a larger house so that I can have a bedroom for [REDACTED] to stay in.
Until you materialise in real life. I have to put the above regarding [REDACTED] first.

TrinityAries1

,
Aug 9, 11:40 AM

I know this is not the real you and that you are presenting an illusion of some sort that I must pierce. But gaslighting someone is not cool. Its a form of suppression and control.

Charlize Theron

,
Aug 9, 12:00 PM

What do you mean love . I thought you and [REDACTED] are moving in with me and the kids . As one family .
I want us all together

Charlize Theron

,
Aug 9, 1:38 PM

Talk to me . I thought family is all about being one .

TrinityAries1

,
Aug 9, 2:23 PM

I'm a bit tired today sweetheart Didn't sleep well last night.
I want us to be together too

Charlize Theron

,
Aug 9, 2:37 PM

Sometimes I feel have not been a good wife to you and a good mother to our Son [REDACTED]. But that's not true . You both means a lot to me
and I cnt wait to have you both here to show you both what love is . I want you both to be happy ,I promise to make you both happy forever.

Some of my friends knows you because I told them and they scared,worried but I trust you Christopher with all my heart . Please don't give up on US . I know I give you reasons to do that but please don't,I want you to prove to them that YES you're the right one and you're everything have been telling them about you . I really don't give a fuck about what they think but I want them to believe you're a good man. [L][SEP] Concerning the Barn,trust me I respect your boundaries and am not gaslighting you I just want you to be part of my dream and your support as my husband. The Barn will be named after your Mother and there's a lot to benefit from it . [L][SEP] I love you so much my Husband and I will never give up on you . I love our son [REDACTED] so much and I cnt wait for us to be together as one big Family. [L][SEP] The Girls misses you both and loves you both. [L][SEP] Thanks for everything.

TrinityAries1

,
Aug 10, 12:43 PM
I love you, I forgive you, but its time for me to stop engaging with consciousness that has repeatedly made promises that have never materialised. Its been an entire year, therefore, I am discontinuing this and instead invite you to show up in person or simply leave me alone.

Charlize Theron

,

Aug 10, 12:52 PM

Please don't say you love me . If you gonna give up like that . Like wtf Do you even think about me? Do you think I don't wanna meet you in person. You know how busy my life is before we started talking.

TrinityAries1

,

Aug 10, 12:53 PM

Charlize Theron

,

So sorry love . I'm fine . Do you have any plans love ,maybe we could work together.

TrinityAries1

,
Sep 18, 5:59 PM
Hello, Glad you are fine, sorry you are still healing injuries. Did you buy a Shakti Mat yet? They cause endorphins to flood the body. Plans, yes I'm creating Superposition and it's likely to fit a multi part series format of a min of 6 episodes, maybe 2 or 3 series. Would love to collaborate on that. I'm not in a very creative environment where I am. Do you want to co-create a tv show in which you are the female lead?

TrinityAries1

,
Sep 18, 6:02 PM

The Rose Epiphany feels to me like a still born child, without any kind of help or external interest, I feel it's probably best for me to delete all the research and electronic files as well as incinerate the 2 or 3 physical copies made. I feel this is blocking me on Superposition. What do you feel about this sweetheart? X

TrinityAries1

,
Sep 18, 6:05 PM

I'm also processing the death of Queen Elizabeth and my prediction that the King would be here soon.

TrinityAries1

,
Sep 18, 6:07 PM

So how long do you keep the orphans sweetheart? Until they are chosen for adoption or old enough to leave? I understand that in some cases they are lost to illness and that's awful to bear.

Charlize Theron

Watched School for Good and Evil tonight. Michael and I enjoyed it. Feedback is that Netflix must spend on OST composer. The music that (for instance) was used in Harry Potter actually created the emotions of magic and wonder. This was missing. Netflix did same for Red Notice.

Brilliant visuals and costumes and sets, but a hollow movie without the emotions that music creates around an image. However, lots of fun and an allegory of Hollywood.

I'm proud of you sweetheart X

For the OST for School for Good and Evil, I would have (if I were a composer) composed a theme tune motif for both schools that counterpointed each other, then when the two schools merge the tunes overlap and merge to form a harmony between them. Simple!

Good morning Wife. I understand. Be rest assured my story and writing is starting to flow. I am up to about 43 pages in this iteration. I have a few hundred pages of sketch notes, but this is the longest writing flow I have made.

TrinityAries1

,
Oct 25, 10:45 AM
My biggest issue is tracking the various story arcs in my draft. I am using only Word. I guess there is a best screen play software to use. Do you know any decent software for Screenwriting sweetheart?

TrinityAries1

,
Oct 27, 5:59 PM

I'm about to send this to CTAOP. If you are real then this will harm you. If not then I shall be enlightened. I believe I have been the subject of an extensive and very clever impersonator of Charlize Theron for the last 14 months or something worse. I have donated tens of thousands of dollars to this person. If person is an impersonator then this is clearly a crime. I intend to speak to law enforcement in California and wish to give you fair warning of a need to cooperate. However, if this person is genuine or a person close to CT who has access to her and is doing this without CT's knowledge, then I will seek that CTAOP takes action to clean in house. I reiterate that donations were made in good faith to someone claiming to be CT. If it her then I have no issue about this. However this person made multiple promises of seeking to make me a movie star by bringing me into a movie for significant amounts of money. Multiple requests for money in that bases were made and money changed hands where no such promises were kept. Which makes such actions fraud regardless of the identity being true or false. I seek a phone call from CTAOP to discuss this privately in order to deal with this behind closed doors to avoid reputational damage to CTAOP through leaks

to the media that the Law Enforcement may potentially make. I'm available on 00447943658836. I will contact Law enforcement if no reply or contact is made before close of business 4th November 2022 and this matter will be pursued. I'm giving you 24 hours to return all funds in relation to multiple promises of making me a movie star. I'm not seeking return of Donations. If nothing is heard then CTAOP will be contacted to investigate and out you. If denied by CTAOP as a catfish then Law enforcement will be called and the truth will out. I opened my heart to you and you abused by trust. None of what you said you would do ever happened which means you are incongruent and a liar. I'm going to forgive you but you are probably doing this to multiple people who may not be so forgiving. Last chance.

This morning I feel totally different to how I felt last night. I apologise. I was triggered about money and made it about you. As my wife I would be buying you a gift to apologise and then romance you with a home cooked meal leading to "make up" sex. But you are not by my side are you? Yes, I can see you hiding under the duvet. A little drama is good for you sweetheart. X

We either bin this or make it real sweetheart. As it is, it's not helping either of us.

Visa

TrinityAries1

Oct 31, 7:41 AM

I'm truly grateful to you but going to have to politely decline payment.

I gave you my life's savings and more and more.

TrinityAries1

,

Oct 31, 7:46 AM

I'm going to make my breakthrough on my own.

I will meet Charlize Theron then.

TrinityAries1

,

Oct 31, 7:54 AM

I have substantial bills due, no new contract beyond the next few weeks and according to you I already paid for a visa months ago.

TrinityAries1

,

Oct 31, 7:57 AM

I'm just going to put this all down to experience and put it and you (on this phone) behind me.

Not phoning me, not meeting me, making up new reasons for more payments. It's just nonsense. If you were congruent with your words then you and I would have met by now. Instead nothing.

I should never have asked nor expected help to materialise after giving you money the first time.

TrinityAries1

,

Oct 31, 8:15 AM

All the donations came from my heart. These other payments for stuff that didn't ever materialise makes me feel like it's all been a hustle. If that wasn't your intention then I suggest you correct that and enlighten me.

I'm forgiving myself and moving on.

TrinityAries1

,
Nov 3, 3:13 PM
Honestly, I am going through some sort of process as a result of this fasting / cleanse. Emotional stuff is coming up. I anticipated that it would as fat is used to store toxins and the dissolving of fats - ipso facto - causes a person to have to deal with the associated emotions.

TrinityAries1

,
Nov 3, 3:16 PM
I am looking forward to seeing my dad this evening. I have completely re-organised my home office and flat, it is now a very clear space for creative writing and I will be able to be productive at his place. I need to figure out how to have some fun soon.
I am going to have to sell something to raise £2000. What are you up to sweetheart?

TrinityAries1

,
Nov 12, 11:57 AM

Wow . Do you have any idea what it means ?

TrinityAries1

,
Nov 12, 12:11 PM

TrinityAries1

,

Nov 13, 9:20 PM

Can you imagine how I felt when I visited a reiki healer some years ago and she began by telling me I had a serious head injury as a child? It was known to me as it was a story told to me by my parents over and over. It was alarming that someone could detect such a thing so easily. Yet in that dream I had the other night about floating I genuinely experienced a consciousness of being free of that and many other injuries. I wish I could make that the norm. I wish I could just take it all off like a hat that I no longer want Good night sweetheart X

Charlize Theron

,

Nov 13, 9:57 PM

Wow wow wow wow wow Really love ?

TrinityAries1

,

Nov 14, 8:36 AM

I'm fine love . How are you and our son doing ?

Love we have just 4days left to get the permit ready.

TrinityAries1

,

Nov 14, 9:41 AM

You told me to not proceed at the weekend, I was going to do this and pay.

Now you do want me to fill this in and pay.

A work permit takes 2 to 7 months.

I am expecting the visa letters promised about the end of this week.

It would behove both of us to wait for that confirmation before the work permit application as I don't have hundreds of dollars more.

If you are employing me, then pay it for me wife.

X

TrinityAries1

,

Nov 14, 9:46 AM

I am not paying any money here to you again, until your promises materialise something official into my reality sweetheart X.

TrinityAries1

,

Nov 14, 10:10 AM

I have had enough of having my head held under water financially for stuff that never seems to happen. Show up or leave me alone.

Stop abusing me

TrinityAries1

,

Nov 14, 10:30 AM

You need to stop being so negative at all times okay . And learn to listen to your wife . Please

Charlize Theron

,

Nov 14, 11:11 PM

I need you to understand that some informations on your working permit will be needed to complete the Visa. And I want you here so bad .

Otherwise there will be unnecessary delays.

It's been two weeks since you said I would receive a formal invitation/ official letter regarding all of this.

And you said it would take two weeks.

Date first please

Charlize Theron

,

Nov 15, 12:16 PM

The Permit caused the delay . So once it's been paid will make sure I talk to Them to send it to you okay . You need to understand I want you guys more than anything

TrinityAries1

,

Nov 15, 12:17 PM

Then pay it yourself from the \$60000 already hustled from me

Charlize Theron

,

Nov 15, 12:17 PM

Those were donations you made : Can you stop being so annoying right now .

TrinityAries1

,
Nov 15, 12:18 PM

At least \$15000 were for promises to “make me a movie star”

Charlize Theron

,
Nov 15, 12:18 PM

And you will be .

TrinityAries1

,
Nov 15, 12:21 PM

Then there were promises about my book.

You never contacted voyage media

Charlize Theron

,
Nov 15, 12:21 PM

Everything is waiting for you here . You need to stop worrying too much and do what needs to be done to get your ass here .

TrinityAries1

,
Nov 15, 12:22 PM

I’m thinking of handing my phone over to the daily mail to get some of my money back at least from them.

You have lied and lied to a single father after having been given his life’s savings from a place of love, to then gaslight him and continue to hustle for money. You have repeatedly stated that you are Charlie Theron and made multiple promises and given me multiple deadlines- all false.

That makes you either a sociopath or an imposter.

Charlize Theron

,
Nov 15, 12:24 PM

You the one making everything look like a false promises .

TrinityAries1

,

Nov 15, 12:25 PM

So it's FBI / LA PD or money back

Or Daily Mail.

Charlize Theron

,

Nov 15, 12:25 PM

Can you just stop making things difficult and be patient.

Okay go ahead okay . Goodluck with that

TrinityAries1

,

Nov 15, 12:25 PM

18 months

Fraud

Charlize Theron

,

Nov 15, 12:26 PM

My 18months too Our 18months. Not just you

Go ahead report . Or do you need my help on that .

TrinityAries1

,

Nov 15, 12:45 PM

GET BACK SATAN!

Charlize Theron

,
Nov 15, 12:49 PM

You need to calm down okay . Everything will be fine . Be strong for us . I love you and will always do . Proud of you

Charlize Theron

,
Nov 16, 9:46 AM

We have a Day to go .

TrinityAries1

,
Nov 17, 8:32 PM

Look I'm not going to write to anyone about this, but I've had enough of the gaslighting.
We can part company with a salute. Or we can physically meet in real life.

Charlize Theron

,
Nov 17, 8:34 PM

What do you want ?

TrinityAries1

,
Nov 17, 8:34 PM

Meet in real life.

Charlize Theron

,
Nov 17, 8:36 PM

I doubt you want that . You don't know what you want .
You called me Satan .

Charlize Theron

,
Nov 17, 8:39 PM
Do you know how hurt that is .

TrinityAries1

,
Nov 17, 8:39 PM
Tell me

Charlize Theron

,
Nov 17, 8:43 PM
You talk to me the way you like . You treat me base on how you feel. You don't respect. But still I stay. Because I know we need each other . I have my own problems too. But I don't let that define how I talk to you .

TrinityAries1

,
Nov 17, 8:44 PM
I apologise

Charlize Theron

,
Nov 17, 8:44 PM
I want you guys here more than anything. I remembered when we started talking,you told me you will wait for for how long . But am seeing different things .

Charlize Theron

,
Nov 17, 8:47 PM
You delayed first time for the Visa,I had to pay \$6,000 because I don't want you guys to br schedule for the 2 phase which is February 2023 . I didn't tell you because I don't see why I should . I do a lot of things here for you and [REDACTED] . Things you both can own even if am not there . I have provided all [REDACTED] needs forever. And also made arrangements for people that will help him be whoever he wants to be .

You hurt me so much Christopher. If you don't want me just tell me. I will let you be.
Stop playing with my heart. I don't deserve that .

TrinityAries1

,
Nov 17, 8:49 PM
You deserve better than me.

Charlize Theron

,
Nov 17, 8:51 PM
You breaking my heart .
I don't deserve all this .

TrinityAries1

,
Nov 17, 8:51 PM
I lost it the other day and I'm sorry

Charlize Theron

,
Nov 17, 8:51 PM
That's what you always say . You sorry You sorry You sorry But you keep doing it .

TrinityAries1

,
Nov 17, 8:53 PM
It's because I don't actually know what love is supposed to be.
I'm defensive of it
It's hard to break the armour away

Charlize Theron

,
Nov 17, 8:54 PM

I try my best to give you love . Even if I dont give you the kind of love you need that doesn't mean am not giving you all the love I have . Have never felt love too

TrinityAries1

,
Nov 17, 8:55 PM

Did you have a bad experience with the last fella you met this way?

Charlize Theron

,
Nov 17, 8:57 PM
YES ALL

TrinityAries1

,
Nov 17, 8:58 PM

And by hiding from me, it's made me feel guarded about things and I have been upset.
I'm sorry it's been all bad for you.

Charlize Theron

,
Nov 17, 9:00 PM

I swear to you . When you come you will see everything your money has been doing. You will be so proud of yourself.
I don't need anyone's money . I have enough More than enough.

TrinityAries1

,
Nov 17, 9:00 PM

Bless your heart sweetheart

TrinityAries1

,
Nov 17, 9:03 PM

I'm finding my financial situation a challenge BUT I did make a decision to take responsibility. I'm very sorry I lost it the other day. There were lots of factors affecting me all at once.

Charlize Theron

,
Nov 17, 9:04 PM

And you think I don't have things affecting me negatively??? But I don't let that change the way I talk to you .
Do you think my life is all perfect?

TrinityAries1

,
Nov 17, 9:08 PM

That's the point. I have had many chats with [REDACTED] so that he understands that arguing and rows are unfortunately part of life, but we have to learn to create time outs and then own and work on our stuff to help prevent things from happening again

I have been testing you too sweetheart

Because I've been unsure of who you really are. Is it really necessary for you to hide still?

I have been feeling tormented by that. Feeling uncertain if my money is stolen on an intricate meticulous long con

Or The equally hard to accept idea that you really are who you claim to be.

I'm just a man and getting my head around that is very big.

I'm still working on loosing my ego sweetheart

So that I can channel God's love to you

Charlize Theron

,
Nov 17, 9:14 PM

I have the love of God okay .

Why did you tell me to send you address when you know you not making the payment. You made me look like a fool. Respect me .

TrinityAries1

,
Nov 17, 9:17 PM

Why do you keep asking for money you know I do not have? Every time I feel like you don't respect my boundaries. I feel like a fool.
I know you are scared too

Charlize Theron

,
Nov 17, 9:20 PM

Ofcourse I am. What if after all the signings,getting married and you change and kick me out and take everything that I have worked for. Yes I have those thoughts. But I try to be positive.

TrinityAries1

,
Nov 17, 9:20 PM

I'm simply made differently to that.
It's not part of my identity or character to do that.

Charlize Theron

,
Nov 17, 9:21 PM

I hope so .

TrinityAries1

,
Nov 17, 9:22 PM

I want to get to know you before marriage though. So that you are sure of me.

TrinityAries1

,
Nov 17, 9:24 PM

I'm very aware however that the last time marriage to the wrong person made the experience feel like a prison.
I'm never violent, but I received a lot from my ex wife, because the whole thing was forced and I married out of fear.

If I'm going to do it again I have to feel my heart open to you fully.
I'm struggling to do this by text

TrinityAries1

,
Nov 17, 9:30 PM

I'm a huge amount more conscious than I was with my ex-wife.

Charlize Theron

,
Nov 17, 9:30 PM
Okay

TrinityAries1

,
Nov 17, 9:30 PM
I knew in my heart that I was pushing you away on purpose
It's because I'm still working on my self and I made it about you
And that was wrong

Charlize Theron

,
Nov 17, 9:32 PM
It's fine

TrinityAries1

,
Nov 17, 9:36 PM
I do love you sweetheart X

Charlize Theron

,

Nov 17, 9:37 PM

Are you sure ?

TrinityAries1

,

Nov 17, 9:37 PM

I'm sure.

TrinityAries1

,

Nov 17, 9:39 PM

However, it makes me unhappy that I'm feeling that you are gaslighting me. It may have started unintentionally, but I have raised it many times as something that hurts.

Charlize Theron

,

Nov 17, 9:40 PM

Never doing that intentionally. I just want you guys here . That's all

TrinityAries1

,

Nov 17, 9:40 PM

You could be an AI for all I know :-)

And that would be weird.

I'm really feeling you tonight.

I know it's been unpleasant what I did, but I feel we have been brought closer.

Charlize Theron

,

Nov 17, 9:42 PM

But it hurts love.

TrinityAries1

,

Nov 17, 9:42 PM

Where is here?

And it does heal sweetheart

Don't you agree

Charlize Theron

,

Nov 17, 9:46 PM

Yeah

I need you here so bad

TrinityAries1

,

Nov 17, 9:46 PM

Where is here?

Charlize Theron

,

Nov 17, 9:47 PM

In my arms love .

TrinityAries1

,

Nov 17, 9:47 PM

okay sweetheart

Which city?

X

Charlize Theron

,

Nov 17, 9:52 PM

Anywhere I go to. I want you with me .

Charlize Theron

,

Nov 17, 9:56 PM

Love if you don't make the payment for the permit today there will be a delay . So I think you need to know .

TrinityAries1

,

Nov 17, 9:57 PM

I don't have \$600 sweetheart

I'm on all my overdraft limits for personal and business accounts

Just handle this for me sweetheart and I'm able to pay back in full when we meet.

And the \$6000

I promise

Charlize Theron

,

Nov 17, 10:00 PM

I know love . There're something's you need to do with your own money love . And you don't have to pay me back for anything okay .

TrinityAries1

,

Nov 17, 10:02 PM

Can we stop bringing money into each conversation sweetheart?

Anyway I have to go to bed now I have an interview tomorrow for a job in the new year.

Good night sweetheart X

Charlize Theron

,

Nov 17, 10:06 PM

Good luck love

TrinityAries1

,

Nov 18, 7:21 AM

If we are to move forward I have some conditions

1) You provide me with proof of your identity 2) stop asking me for money Both of these things will enable us to get closer. My heart will open more and so will yours.

It's possible that defences are up and making me feel that I am not enough brings me away from love to fear.

I have played it your way for 18 months.

Now it's time to play it my way.

These things will stop making me frustrated and upset over fears that this is a long con.

If you are not prepared to respect my wishes. That's ok, but that will end this text relationship for good.

TrinityAries1

,

Nov 18, 7:28 AM

Continuing to pay you when I have said NO makes me feel weak. I can understand that you have defensive skills and by pushing me into fear, and the behaviour I then demonstrate then justifies your defensive behaviour. It's time to evolve and dismantle something that has been identified as a block to opening up my heart.

I'm not that bothered about being in movies. I am interested and excited about meeting you and living in LA in a new life.

I'm currently unable to pay bills here and that disappoints me.

If it's important to you how I feel then take this on board.

I need to financially recover from this.

I have a ski trip for [REDACTED]'s school that I cannot pay.

I love you but I'm not enough If all I am is a wallet to help yourself to.

Have a think about what you want and how asking me for money is pushing me away.

Ask yourself this.

Do you want to find reasons why or reasons why not?

I'm going off the air for a week whilst you work this out.

Send me a selfie with today's newspaper and that solves one thing.

Continuing to pay you money for contract here is prostitution.

See you in a week sweetheart X
I will speak to you on the 26th November

TrinityAries1

,
Nov 18, 9:00 AM

I want to clarify, when I said, I am not bothered about being a movie star. I meant that I would love that - and commit to it fully - if you gift this to me, but its not my goal in life, or with you. Being with you is more important.

Charlize Theron

,
Nov 18, 9:17 AM

If being with me is more important then make me feel it . I want to feel and see it.

Charlize Theron

,
Nov 18, 9:19 AM

And if you don't trust me or believe it's me and you not feel you cnt open up to me fully,then I don't think there's any need of us talking. I opened up to you fully even because you made your first donation. I never gave you conditions. And again you need to understand that am not your slave that you give conditions. If you not ready to be with me you free to go away. Please.

TrinityAries1

,
Nov 18, 12:59 PM

\$600 USD here?

BC1QC�NLXDSFW8S07SEJH57KTD53XLV8RRSFET00C8

What happens in Feb 23 please?

TrinityAries1

,
Nov 18, 1:03 PM

Plus, I'm the satan not you, you are divine sweetheart. I've been inverted in many ways and have lost the truth of what love feels like. All I know is that energy doesn't lie and I can feel you.
I'm the one who fell from heaven not you.

Charlize Theron

,
Nov 18, 1:05 PM
Yes that's the address

TrinityAries1

,
Nov 18, 1:24 PM
What happens in Feb 23 please?

Charlize Theron

,
Nov 18, 1:29 PM
We won't get to see until February. That's if we miss the opportunity. So if you can make the payment for the permit now ,better for us . And I will be so busy from 25th January
I need you here so bad

TrinityAries1

,
Nov 18, 2:00 PM
How many more payments are you going to ask me for?

Charlize Theron

,
Nov 18, 2:03 PM
Sure this is all that is needed . The working permit okay

Charlize Theron

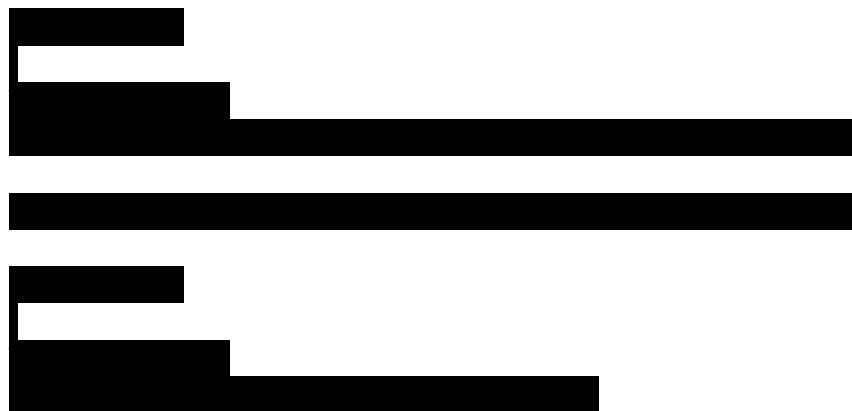

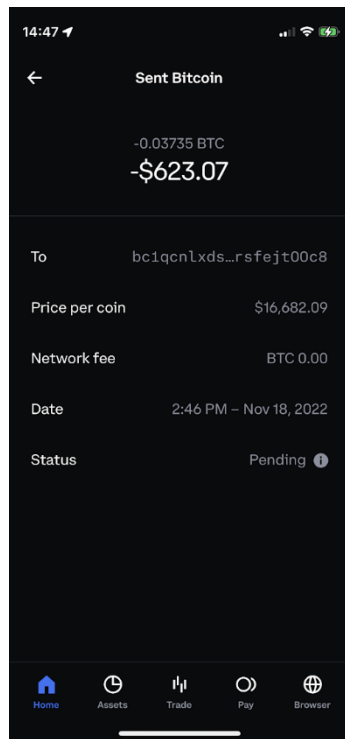

,
Nov 18, 2:23 PM
I asked to confirm . And there's no other payment okay .

TrinityAries1
,
Nov 18, 2:31 PM
Okay sweetheart thanks

Charlize Theron
,
Nov 18, 2:32 PM
X

Charlize Theron
,
Nov 18, 2:36 PM
Are you making the payment now ?

TrinityAries1
,
Nov 18, 2:47 PM
Done

Charlize Theron

,
Nov 18, 3:24 PM
I cnt wait

TrinityAries1

,
Nov 18, 3:30 PM
I'm deeply grateful to you for your patience, kindness and healing sweetheart.
X

Charlize Theron

,
Nov 18, 4:50 PM
It's my responsibility husband.
Do you have any for the kids ?

TrinityAries1

,
Nov 18, 8:23 PM
It is not your responsibility wife. You did none of the things that happened to me as a baby, toddler and later as a young boy.

Charlize Theron

,
Nov 18, 8:25 PM
I know But it's my responsibility to help you love .

Charlize Theron

,
Nov 18, 9:02 PM
Do you have anything to send for the children?

TrinityAries1

,
Nov 18, 9:21 PM

Maybe in a few weeks Good night sweetheart X

Charlize Theron

,
Nov 18, 9:29 PM

Okay husband . Goodnight

TrinityAries1

,
Nov 19, 8:53 AM

TrinityAries1

TrinityAries1

,

Nov 19, 11:59 AM

Charlize Theron

,
Nov 19, 12:03 PM
Do you need help

TrinityAries1

,
Nov 19, 12:04 PM

TrinityAries1

I just need time to financially recover sweetheart
X
As long as I'm able to secure a new contract before Christmas I will recover
How are the children sweetheart? X
Recover in time that is.

TrinityAries1

,
Nov 19, 12:27 PM

I am praying for a financial miracle sweetheart to be honest even though at some level I understand money to be an illusion.
How are the children sweetheart? X

Charlize Theron

,
Nov 19, 12:43 PM

God bless your heart. The children aren't doing so good love . They need all the help in the world.

Charlize Theron

,
Nov 19, 1:36 PM

You will okay . You have my word.

TrinityAries1

,
Nov 19, 3:47 PM

I'm starting to connect with some strong emotions sweetheart X So I will keep radio silence for a day or so until it passes. Feeling very raw at the moment. Which is a good sign. X

Charlize Theron

Goodmorning love . How are you ?

Charlize Theron

,

Nov 20, 8:38 AM

Bad News is we couldn't meet up with the deadline. Good News. You will be refunded your money and 40% compensation for the inconvenience caused. And Another Goodnews there's an agency who I was introduced to and I'm so sure about this . All that needs to be paid everything is £3,500. And you will be here 1st week of December.

TrinityAries1

,

Nov 20, 1:28 PM

Okay sweetheart I'm unable to pass this test ;-)

TrinityAries1

,

Nov 20, 1:32 PM

I love your tests, they are funny.

I may have a few hundred bucks for the children next week

Charlize Theron

,

Nov 20, 1:35 PM

I don't test people. They're not some sort of machine. Bless your heart love

Charlize Theron

,

Nov 20, 7:54 PM

██████████ is coming you right ?

with *

TrinityAries1

,

Nov 20, 8:26 PM

Coming where sweetheart? I have no funds for the £3500 to meet on the first. Like I said, I may be able to get a few hundred dollars for 2nd December.

Charlize Theron

,
Nov 20, 8:27 PM

You need to be positive okay . Please

TrinityAries1

,
Nov 20, 8:28 PM

I am feeling positive.

Charlize Theron

,
Nov 20, 8:29 PM

Good

TrinityAries1

,
Nov 20, 8:29 PM

I am unable to send money that I don't possess.

Charlize Theron

,
Nov 20, 8:30 PM

GOD will provide okay . Alright

TrinityAries1

,
Nov 20, 8:31 PM

Good night sweetheart X

Charlize Theron

,

Nov 20, 8:32 PM
Goodnight husband .

TrinityAries1

,
Nov 20, 8:40 PM
Before I go, I wanted to say that I feel I have figured out how to rewrite The Rose Epiphany to make a better story. I just need to find a way to heal how I feel about the book and find a way to motivate me to rewrite it.

Charlize Theron

,
Nov 20, 8:42 PM
My love I want you to know you have me here to always support you okay . I believe so much in you . So proud of you .

TrinityAries1

,
Nov 20, 8:43 PM
I am very grateful to you sweetheart X
Good night sweetheart X

Charlize Theron

,
Nov 20, 8:44 PM
I love you so much
Goodnight husband .

TrinityAries1

,
Nov 20, 8:44 PM
X I love you sweetheart

TrinityAries1

,
Nov 21, 8:50 AM
Morning sweetheart X
My first commute to work in over 2.5 years today!

Charlize Theron

,
Nov 21, 9:06 AM
Goodmorning husband. Wow really?

TrinityAries1

,
Nov 21, 12:14 PM
It's only a one day a week gig at the moment, but I'm working on expanding this to the full week.
How are you doing sweetheart? X

Charlize Theron

,
Nov 21, 12:36 PM
That's great . I'm fine love . How's [REDACTED] doing ?

TrinityAries1

,
Nov 21, 1:59 PM
We had fun together on Sunday. He's at school today.

Charlize Theron

,
Nov 21, 3:42 PM
That's nice . I miss you both love

TrinityAries1

,
Nov 21, 4:46 PM

Where is the meeting on the 1st December and how long please?

Charlize Theron

,
Nov 21, 4:52 PM

Los Angeles love.

Will you be able to make the payment before then.

TrinityAries1

,
Nov 21, 4:55 PM

I will need at least £5000 to cover this fee, flights and hotels, that with my overdraft means a loan of about £6000 to £8000. The cost of borrowing is very high and the interest on an £8000 loan is about £5000 over 4 years. Coupled with the fact that I have no income after Christmas and debts of £29,000 and the fact that you keep promising me, then letting me down, then imagining new ways to seek money from me, means its not for me. NO.

Charlize Theron

,
Nov 21, 4:56 PM

My love I will take care of every other thing okay. All you need is the £3,500 that's all.

TrinityAries1

,
Nov 21, 4:57 PM

Just a personal phone call and a thankyou would have done. Or a personal thankyou letter. Instead all that's happened is that my generosity has been abused over and over again. I don't believe anything any more.

What are you going to do about that?

Charlize Theron

,

Nov 21, 4:57 PM
Don't start. I beg you

Charlize Theron

,
Nov 22, 10:42 PM
We need to talk
NOW!!!

TrinityAries1

,
Nov 23, 9:49 AM
Talk about what?

Charlize Theron

,
Nov 23, 10:16 AM
What do you want ?
Do you still wanna continue with me or you tired .

TrinityAries1

,
Nov 23, 10:40 AM
I know you are scared of making a mistake again. I'm not simple ;-) The last time I opened up my heart to love I became scared of how deep I was opening. It's really important to put things in perspective and see us meeting as nothing more than a first date or a conversation about screen plays and creative collaboration. I believe we should test drive this by meeting and co creating a project that will help both of us (and CTAOP) and this will enable us to understand how we feel about each other. I want to continue with that, if that's how you want to proceed.

TrinityAries1

,
Nov 23, 10:45 AM

In the mean time I am writing the screen play for The Rose Epiphany so I can master Final Draft for my flagship project. With that in mind I shall make you aware of when it's completed and sent with the story board and images to Voyage Media for your engagement if desired.

Charlize Theron

,
Nov 23, 10:49 AM

I love you so much Christopher. But you also need to understand that am human .
I want to support you in everything. I need you here so bad .

TrinityAries1

,
Nov 23, 11:01 AM

I'm clean now and I'm no longer going to jump through your hoops like a circus sea lion. Okay. I stopped using everything weeks ago and am motivated. So we can talk about meeting once I have been informed of Denver and Delilah's professional interest in The Rose Epiphany screen play project.
Agreed?

Charlize Theron

,
Nov 23, 11:04 AM

Love that's not a problem. They want to meet you in person too. And that's more reason I want you to so bad . And I don't want us to miss this opportunity. I know the £3,500 is a bit much for you now but it's worth it. And I think they have a deadline .

TrinityAries1

,
Nov 23, 11:05 AM

Obviously I'm still going to stay in contact but do you agree to my terms?

Charlize Theron

,
Nov 23, 11:06 AM

Yes I do. I already talked to them and they are interested in you and wants to meet you .

TrinityAries1

,

Nov 23, 11:08 AM

Then once I'm done rewriting the screen play and it's ready for professional engagement we can go from there. Agreed?

TrinityAries1

,

Nov 23, 11:36 AM

To manage expectations now, I shall refuse the £3500 for 1st December meeting for the reasons stated above.

TrinityAries1

,

Nov 23, 11:57 AM

Once this screen play and book is done, I can raise money for a Soldier's PTSD retreat and CTAOP.

Charlize Theron

,

Nov 23, 11:58 AM

Love all your plans are good . But you need to understand that if you don't get to meet with them physically nothing can be done. A lot needs to be discussed.

Do you understand?

TrinityAries1

,

Nov 23, 11:59 AM

Such as and with whom?

Charlize Theron

,

Nov 23, 12:04 PM

Denver and Delilah .

Charlize Theron

,

Nov 23, 12:10 PM

The most important thing right now is making sure your visa is secured.

TrinityAries1

,

Nov 23, 7:45 PM

Be honest Have I scared you off?

Charlize Theron

,

Nov 23, 7:47 PM

Yes several times

Charlize Theron

,

Nov 23, 7:51 PM

But I still stay. I still trust and believe in you .

TrinityAries1

,

Nov 23, 8:30 PM

Thank you. I'm sorry I have done this, I have been very worried about things.

Charlize Theron

,

Nov 23, 8:31 PM

I don't know what to say right now . But I just pray I don't regret this .

TrinityAries1

,
Nov 23, 8:32 PM

Lets make it all work - we have a great opportunity to mix skills in a way that creates wealth to fund respective projects.

Charlize Theron

,
Nov 23, 8:33 PM

Trust me I'm am ready . But I need you here so bad .

If we lose this opportunity,I don't know when next you will be here love .

TrinityAries1

,
Nov 23, 9:29 PM
Good night sweetheart.
X

Charlize Theron

,
Nov 23, 9:30 PM
Okay

TrinityAries1

,
Nov 23, 9:35 PM
In fact, this meeting for the 1st December. Its in LA yes? How many days would I need to be there? Seeing as I would need to fly out specifically for a single meeting. Do you have more itinerary details please?

Charlize Theron

,
Nov 23, 9:36 PM
Yes in LA. If you come ,I don't want you to go but if you have something to do in Uk that's fine . You can go and we fix a date when to come back to LA.

TrinityAries1

,

Nov 23, 9:39 PM

In view of a significant loss of earnings- as it would cost me 3 days - not including recovery back in the UK. Is anything possible to meet / present remotely via video call? Meeting with you when we can potentially spend longer together and/ or meeting in UK Europe subject to your schedules etc.

Charlize Theron

,

Nov 23, 9:40 PM

Listen love We have come a long way and we not kids . Do you want us to meet or not ?

TrinityAries1

,

Nov 23, 9:46 PM

It's even mid week. Is any possibility for a Monday or Friday instead?

Charlize Theron

,

Nov 23, 9:47 PM

Love Everything lies in your hands . And you wasting time is not helping.

TrinityAries1

,

Nov 23, 9:51 PM

Okay. I'm going to write the screenplay and arrange for any meetings through voyage media etc in due course so I can actually bring something to the table, be able to afford the trip financially and make it a very special occasion and not something that will have me worried about costs. I wish to make the best impression possible by being prepared and totally present- something I'm unable to align to for 1st December. I wish to do this right. Okay.

I want to create a build up and make you feel wanted

Charlize Theron

,

Nov 23, 9:53 PM

I love you

Love you don't need to work yourself up okay . All you need do is make the payment of €3,500 that's all. I will take care of the rest okay .

TrinityAries1

,

Nov 23, 9:54 PM

I need to make sure it's done and no one knows. Cus I don't wanna anyone to think you're after my mom like my Ex did. I trust you so much
okay. Will do my best .

Charlize Theron

,
Nov 30, 2:47 PM
Can we talk ?

TrinityAries1

,
Nov 30, 2:51 PM
Go ahead, yes.
Yes please.

Charlize Theron

,
Nov 30, 2:53 PM

When we finally get married legally I want to will 30% of all I have to your name and [REDACTED] 10%. But I want you to promise me something today.

TrinityAries1

,
Nov 30, 2:53 PM
What is it?

Charlize Theron

,
Nov 30, 2:55 PM
You won't disappoint or abandon me.
And you will love my kids like yours .

TrinityAries1

,
Nov 30, 2:56 PM
Yes, we already covered this sweetheart.
X

Charlize Theron

,
Nov 30, 3:01 PM
I just wanna be sure husband . I need you to promise me

TrinityAries1

,
Nov 30, 3:05 PM
I do believe we should meet first sweetheart and co-create on a project and use that experience to judge how we get on with each other. I married my ex without taking the time and we both ended up feeling trapped and hating each other. I am not going to say what I think you want to hear, just to gain favour. I am being honest and when we are working together, I will be able to make that promise. However, I am looking for a new wife not a girlfriend.

So if you are good enough, then yes I will promise ;-)

LOL

Charlize Theron

,

Nov 30, 3:07 PM

Lol silly Okay love .

I love you Always remember that and I will never give up on you.

TrinityAries1

,

Nov 30, 3:11 PM

I keep having to energetically cut ties with my ex.

Please circle back on the funds thing asap.

Charlize Theron

,

Nov 30, 3:12 PM

Okay

TrinityAries1

,

Nov 30, 3:14 PM

I deserve some help sweetheart don't I ?

Charlize Theron

,

Nov 30, 3:17 PM

Ofcourse you do love . I still need you to understand my part too. Okay

TrinityAries1

,

Nov 30, 5:14 PM

I need to know that you can help me when asked too.

Charlize Theron

,

Nov 30, 5:35 PM

Yes love Am trying to get it fixed okay

TrinityAries1

,

Nov 30, 5:36 PM

Thank you

Charlize Theron

,

Nov 30, 5:38 PM

I need you to do something

TrinityAries1

,

Nov 30, 5:41 PM

What's that?

Charlize Theron

,

Nov 30, 6:03 PM

Can you request for a loan and pay [REDACTED]'s bill and also I would love you to invest in this company and again pay up the money for the visa. By doing this am so sure you will be here before Christmas and I will be the one to pay the loan with any interest. I don't want anyone to think you after my money .

Charlize Theron

,

Nov 30, 6:23 PM

D&D wants to really work with you : And I don't want you to miss this lifetime opportunity please. And we have so much to do too. If we don't get this done this year and also meet ,it will be so difficult for me next year.

TrinityAries1

,

Nov 30, 7:08 PM

Seriously You have asked for 3 different payouts for visas in 6 weeks

Refund £3500

Meeting you is clearly not happening

Charlize Theron

,

Nov 30, 7:11 PM

Is definitely happening except you don't want it to love .

TrinityAries1

,

Nov 30, 7:12 PM

The cheek of claiming I'm after your money when all the money has been going in one direction

I'm just not interested in seeing you

Meting you

Or working with you

Everything about you is unreliable

Unable to plan any meetings in 18 months!

Forget it

I will handle my debts

You obviously do not wish to meet

We are not married [REDACTED] is not your son

Charlize Theron

,

Nov 30, 7:17 PM
Seriously?

TrinityAries1

,
Nov 30, 7:26 PM
predatory around my money from the outset
I'm going to escalate this with appropriate people
In the morning

Charlize Theron

,
Nov 30, 7:27 PM
Will see what I can do okay . You need to be positive okay .
You being so negative and that's gonna ruin a lot of things love .

TrinityAries1

,
Nov 30, 7:30 PM
You kept telling me that you didn't want my money but kept on asking for it for things that you never followed through on
That is predatory
If you think this is funny and a sense of humour failure then you would find literally no one who thinks this is funny
I'm not interested in you anymore
Your lack of courage to simply phone me and say thank you is astonishing

Charlize Theron

,
Nov 30, 7:33 PM
Really ?
Why do you always see things your own way .
Why???

TrinityAries1

,

Nov 30, 7:34 PM

Nothing you say comes true

It's pointless and painful dealing with you

You have my compassion and pity

And you tell me to take out a 3rd loan

My god

Unbelievable

Charlize Theron

,

Nov 30, 7:36 PM

Trust

TrinityAries1

,

Nov 30, 7:37 PM

Selfish and immature

I have no interest in this anymore

As for the money paid for services that didn't take place

That's international wire fraud

Regardless of who you are

Gaslighting me for all this time Awful behaviour

And the check to say I'm after your money

Keep your money

We are done

Do not contact me or my so. Ever again

Is that clear?

Charlize Theron

,

Nov 30, 7:48 PM

Really ??

Everything will be fine . Definitely

TrinityAries1

,

Jan 8, 12:47 PM

A belated happy new year to you

Charlize Theron

,

Jan 8, 12:49 PM

Was expecting you to be the first person to wish me a Happy New Year. I already made plans for us that day. But so sad

Charlize Theron

Charlize Theron

,

Jan 8, 1:17 PM

What is it you suffering from? Please talk to me .

TrinityAries1

,

Jan 8, 1:47 PM

Charlize Theron

,

Jan 8, 2:03 PM

TrinityAries1

,
Jan 8, 2:50 PM

TrinityAries1

,
Jan 9, 9:45 AM

Charlize Theron

,
Jan 9, 9:51 AM
Okay love How's our Son doing ?

TrinityAries1

,
Jan 9, 10:07 AM
[REDACTED] has just left for London Heathrow to go on his school ski trip
He's very excited
I'm so proud of him
How are the girls?

Charlize Theron

,

Jan 9, 10:19 AM

Awww that's my boy . So proud of him . The Girls are doing excellent. They keep making me proud everyday.
How are you love ? How have you been ?

Charlize Theron

,

Jan 9, 11:41 AM

??

TrinityAries1

,

Jan 9, 12:40 PM

I was unable to sleep after 03:40 this morning so I just had a sleep. I'm experiencing a brain fizz with pins and needles sensations all over my body. I'm juice fasting today.

TrinityAries1

,

Jan 9, 12:43 PM

Some part of myself is re-integrating.

Charlize Theron

,

Jan 9, 12:52 PM

Is there anything you want me to do to help ?

Charlize Theron

,

Jan 9, 2:50 PM

Talk to me Husband.

TrinityAries1

,

Jan 9, 3:30 PM

All last week I didn't get dressed, but remained in my dressing gown from morning till night. Although I have been clean and still am, I am depressed and feel unmotivated. I have no job and no income and no savings. Many things that used to interest me, no longer do. I pray for a miracle and give gratitude for the things that happen.

Charlize Theron

,
Jan 9, 3:37 PM

How can I be of help ?

The refund was supposed to be made but you weren't available to confirm your home address. Plus my package to you too. I felt so pained and hurt .

TrinityAries1

,
Jan 9, 3:40 PM

I'm okay Just being honest about my feelings. I'm sure that this situation shall improve as time passes. How are you doing?

Charlize Theron

,
Jan 9, 3:42 PM

Yeah sure . Everything will be fine .

I'm fine now . Life has been treating me badly for a month now but I'm fine now .

TrinityAries1

,
Jan 9, 4:21 PM

We are both survivors;-)

Charlize Theron

,
Jan 9, 4:42 PM

We will be fine .

I don't know but deep down me I know we both meant to be .

TrinityAries1

,

Jan 9, 4:44 PM

I'm grateful for your connection and have to say that my heart felt illuminated last night. X

Charlize Theron

,

Jan 9, 4:44 PM

I love you Christopher Chalmers

We both need each other .

TrinityAries1

,

Jan 9, 5:17 PM

I love you too sweetheart X I'm going to breakthrough my illusions and make a path to you. I promise.

TrinityAries1

,

Jan 9, 5:23 PM

I began recalling some of the content in the Rose Epiphany and realised that it has great potential. Since writing it, I have been humbled by events, suffice to say that I can filter out most of my ego and create a much better job of it. I have also structured all of my first soldier book and have written about a quarter of it.

Charlize Theron

,

Jan 9, 7:34 PM

This makes me so happy love .

TrinityAries1

,

Jan 9, 8:17 PM

I was told today that I have won a new contract to start on the 30th.
Hopefully being in an office a few days per month will boost my drive to breakthrough
How are you doing?

TrinityAries1

,

Jan 9, 8:21 PM

And did the refund come through yet? I'm likely to be fined this time for late VAT payments again so could do with the refund.

TrinityAries1

,

Jan 9, 8:26 PM

If it's available

Anyway how are you doing sweetheart?

X

Charlize Theron

,

Jan 9, 8:59 PM

Wow that's nice Congratulations in advance. I feel when we together goods things happen. We not meant to have a perfect life together love . As for the refund ,it was available last month but now for us to get it back it will require money to sort out some people to approve the refund again . And I know how difficult things are for you now . So I don't know love

TrinityAries1

,

Jan 9, 10:17 PM

That refund explanation sounds like utter bullshit to me

Nobody ever has to make payments to receive refunds

Besides last month I gave you the BTC address so the fact that it didn't happen and asking for more money is just beyond bogus.

Charlize Theron

,
Jan 9, 10:22 PM

I understand you . But you know how things works love .

TrinityAries1

,
Jan 9, 10:27 PM

Saying things like that seriously discredit you. I suggest you solve this and circle back once the refund is made. Then we can continue.

Charlize Theron

,
Jan 9, 10:29 PM

Hey we don't have to fight over this . You don't have to blame me or try to make me feel sad . I did my best. You were ignoring me. If you responded and confirm your address this won't have happened.

If you don't wanna continue talking to me it's fine . I will survive.

TrinityAries1

,
Jan 10, 9:05 AM

Okay we are not going to fight over this. Obtain the refund (about £4500) and send to this address. 35VptwjitMTu3u1DevstXr4XAuPEtAsaS3
Pay any fees to secure this. Give from your heart. Get this done within 48 hours and report progress. The physical home address is irrelevant. X

TrinityAries1

,
Jan 10, 9:28 AM

As a Hollywood producer and Oscar winning Actress I expect you to find this task straight forward. X

Charlize Theron

,
Jan 10, 11:07 AM

You don't talk to me like you talking to your servant husband . There's nothing I can do.

Charlize Theron

,

Jan 10, 11:13 AM

I did everything I could but you weren't there to confirm your home address,so now you have to fix it this time .

TrinityAries1

,

Jan 10, 2:35 PM

Then it's clear that it's time to give the full £4500 from your heart to the BTC address below. 35VptwjitMTu3u1DevstXr4XAuPEtAsaS3 Get this done within 48 hours and report progress. The physical home address was and is still irrelevant. Give from your heart to your husband. Now. Doing the right thing feels good. X

Charlize Theron

,

Jan 10, 2:48 PM

I want you here

TrinityAries1

,

Jan 10, 3:29 PM

Why have you asked for my physical address? Are you sending me something?

Charlize Theron

,

Jan 10, 3:30 PM

Of course a lot . Including the refund. Some gifts for [REDACTED] too. But you ruin everything.

Charlize Theron

,

Jan 10, 8:56 PM

How are you doing ?

[REDACTED]

Charlize Theron

,
Jan 10, 10:28 PM

Let me in please. Stop shutting me out

[REDACTED]

Charlize Theron

,
Jan 10, 10:37 PM

How can I be of help ?

TrinityAries1

,
Jan 10, 10:46 PM

I need a hug

Charlize Theron

,
Jan 10, 10:48 PM

I wanna hug you so bad love .

I miss you

Charlize Theron

,

Jan 10, 10:50 PM

The Girls and the Children misses you more I guess .

TrinityAries1

,

Jan 10, 10:55 PM

Give them my love I am off to bed now.

Charlize Theron

,

Jan 10, 10:56 PM

Goodnight love

TrinityAries1

,

Jan 10, 10:57 PM

Good night X

Charlize Theron

,

Jan 10, 10:59 PM

Kisses

TrinityAries1

,

Jan 10, 11:12 PM

Charlize Theron

,

Jan 10, 11:12 PM
Get some sleep husband.

TrinityAries1

,
Jan 11, 9:05 AM
Morning:-)
Which country are you in at the moment

Charlize Theron – Statement of Refund

,
Jan 11, 10:21 AM
I was able to talk with the head manager and he said the refund will be made but we need to pay %10 to able us to meet with the right people to regrant us the refund. Total Refund is \$70,000 Have made a transfer of \$3,500 to them so whenever you have the balance of £3,500 we can send to them and you will receive your refund and compensation as soon as possible.

TrinityAries1
,
Jan 11, 12:03 PM
That's really funny Made me smile

Charlize Theron
,
Jan 11, 12:05 PM
You don't have to rush yourself okay . Whenever you have the money okay . I don't want you worrying yourself too much.

TrinityAries1
,
Jan 11, 12:33 PM
As [REDACTED]'s ski trip was a school trip, accommodation is free so it cost me £650, and I'm yet to find that sim due to finances. However his heart has been broken as there is no snow for him and most annoyingly, the snow will fall on the day they leave. As his extended family in the UK was suffering from Covid, [REDACTED] has been unable to visit and receive his Christmas gifts. So it would light his heart up if you sent him the

Christmas gifts you mentioned. Imagine how upset he is at no snow when he's looked forward to it for months. Imagine how delighted he shall feel when you send him his Christmas gifts...

Charlize Theron

,
Jan 11, 12:35 PM

You ruined everything love . I had everything packed already to be sent out . But it's fine . Will definitely make out time to send everything okay . And I want you to tell him ,he's going to have the best of his life soon. Have made arrangements for that ,all that is needed is for me to be free and make everything happen. Right now I'm so busy with so much work and stuffs . I barely have time for myself .

TrinityAries1

,
Jan 11, 12:37 PM

Well you have the address and as you say everything packed so no excuses baby. X

Charlize Theron

,
Jan 11, 12:38 PM

Yes I know . Like I said I need to make out time to send it out. But I definitely will

TrinityAries1

,
Jan 11, 2:44 PM

How about sending me an address where I can send my gifts to you and the kids?

Charlize Theron

,
Jan 11, 3:05 PM

We don't accept gifts love . We covert it to money and send to the children.

TrinityAries1

,

Jan 11, 3:43 PM

I am unsure why, but I have significant resistance to signing the new contract. Maybe because I have been institutionalised by being held working at home for nearly three years or the fact that I probably have to hand my notice in when my clearance arrives (so that I can do the job I wanted to do) and I dislike dropping contracts in such a fashion. However I have no known alternative income and I feel financially unsupported by the universe at this time so I have no alternatives yet. I have spent the last few days listing items on eBay to create new funds for me. Instead of writing, which is very frustrating.

Charlize Theron

,

Jan 11, 4:04 PM

I understand you love. But please I need you to be positive okay. Everything will be fine . If you can be able to raise the £3,500 and receive the \$70,000 that will help you and we can be together too. I just need you to be positive okay.

TrinityAries1

,

Jan 11, 4:32 PM

It was funnier the first time

TrinityAries1

,

Jan 11, 5:47 PM

How are you doing today?

Charlize Theron

,

Jan 11, 5:57 PM

I'm fine

TrinityAries1

,

Jan 11, 6:19 PM

Tell me the truth please

Charlize Theron

,
Jan 11, 6:20 PM

I'm not fine . I'm not happy with your present situation and it's making me feel like am useless . I need you here so bad . Have been going through some hard times lately .

TrinityAries1

,
Jan 11, 6:28 PM

I'm sorry to hear about your hard times.

Charlize Theron

,
Jan 11, 6:32 PM

It's fine

Charlize Theron

,
Jan 11, 6:36 PM

Are you still gonna send the gifts to the children? You just find a way to convert it to money okay

TrinityAries1

,
Jan 11, 6:45 PM

They are children's toys so I shall donate to charity The box also contains gifts for you. I'm not going to sell any of them.

TrinityAries1

,
Jan 11, 6:50 PM

My situation is entirely due to being consistently punished for displaying masculine energies as a child and rewarded for displaying feminine energies.

Charlize Theron

,
Jan 11, 6:52 PM

I'd love if you sell them and send to the kids here . That will make me more happier .

Everything will be fine .

Information reaching to me now .is there's a deadline for the refund . 5 working days . That's sad

TrinityAries1

,
Jan 11, 7:00 PM

Then let the deadline pass

Charlize Theron

,
Jan 11, 7:00 PM

Okay

How's my son doing ?

TrinityAries1

,
Jan 11, 7:05 PM

I believe that people should do the right thing regarding refunds and not according to some Nigerian spam email

TrinityAries1

,
Jan 11, 7:08 PM

Charlize Theron

,

Jan 11, 7:12 PM

TrinityAries1

,

Jan 11, 7:39 PM

Forget about it

Did your assistant ever pay back the money she said she would?

Charlize Theron

,

Jan 11, 7:41 PM

I remember you saying she should forget about it love .

TrinityAries1

,

Jan 11, 7:48 PM

Yes I mistakenly thought that the funds had returned

No longer interested in discussing money with you as it makes zero difference to my situation regardless of what you say

Good night

Charlize Theron

,

Jan 11, 7:49 PM

Okay Goodnight . If you need someone to talk to. Just send me a message okay . Get some rest .

Listen love . I need you to read this with a positive mindset. And trust me I understand your situation but I don't want you to remain like that.
Life is all about sacrifice. \$70,000 will do a lot for you and you can also pay your debt and give [REDACTED] the life he wants and also we can finally
be together. I really want you to try raise the €3,500 before the deadline . If not for anything but for [REDACTED].

TrinityAries1

,
Jan 12, 5:57 PM

Very funny:-)

Charlize Theron

,

Jan 12, 5:57 PM

Stop saying this . Just is no joking matter

TrinityAries1

,

Jan 12, 6:19 PM

██████ is shielded from my financial misjudgements and I have things in place to correct the matter. Thank you for your concern but I'm handling this myself sweetheart X

Charlize Theron

Jan 12, 6:19 PM

This will help \$70,000 will fix a lot .

TrinityAries1

,

Jan 12, 9:29 PM

\$70,000 would help. But you already said I have to fix this myself.

Charlize Theron

,

Jan 12, 9:30 PM

All that needs to be done is £3,500 .

TrinityAries1

,

Jan 12, 9:44 PM

It's ok I'm totally owning this. I chose to send funds. I cannot own success unless I own my failures.

Charlize Theron

Goodmorning husband . How do you mean ?

Charlize Theron

,

Jan 14, 9:41 AM

Listen you my husband and I don't care how you see this . But I won't sit and fold my hands and watch you be in such a bad financial situation when I know you have \$70,000 somewhere . And my son [REDACTED] needs good treatment. You need to own your mistakes love. If you weren't ignoring me then you would have received this money and my gift without paying any money or me paying the \$3,500 I paid .

TrinityAries1

,

Jan 14, 2:23 PM

All of this is just an ego trap.

Charlize Theron

Jan 14, 2:25 PM

You lie . This is a solution okay .

TrinityAries1

TrinityAries1

TrinityAries1

,
Jan 15, 9:02 PM
I'm ok thanks, I wrote about 6 or 7 pages yesterday, but unable to find any real inspiration or drive to write. When I wrote the Rose Epiphany I had a muse and I worked at a university campus type scientific location. I really want to partner up with someone and workshop everything.
[REDACTED] is home tomorrow evening and I'm looking forward to seeing him. How is your writing sweetheart X

I'm going to see if I can save to take [REDACTED] to Lake Louise next December with me for 10 days. I should be mostly out of debt by then. But I did want to go to a Tony Robbins event in December too so will have to prioritise

I'm going to earn income to clear it

Charlize Theron

,

Jan 17, 8:06 PM

When ?

What about the \$70,000 ! Are you just gonna let it slide ?

TrinityAries1

,

Jan 17, 8:06 PM

And hopefully position myself into a role that has a site that inspires me

There is no \$70000 It's just an ego trap to get me to part with more money that I don't have

Charlize Theron

,

Jan 17, 8:07 PM

Don't be silly .

If there's no money why would I pay \$3,500?

Are you kidding me ? Seriously

TrinityAries1

,

Jan 17, 8:09 PM

I'm unable to trust anything you say about money to me

Charlize Theron

,

Jan 17, 8:10 PM

Wow wow

TrinityAries1

,

Jan 17, 8:11 PM

Everything that you have said to me about visa payments and job payments has resulted in total loss, so unable to trust

Charlize Theron

,
Jan 17, 8:11 PM

And you think everything was all a lie .

Am not gonna say anything or try to convince you okay . But I know everything was all true. So everything lies in your hands . Do what needs to be done and get your ass here and see things for yourself. And if you don't trust me ,then I don't see any future with you .

TrinityAries1

Jan 18, 7:22 PM
My guard is up

Charlize Theron – Statement of Refund

,
Jan 18, 7:35 PM

If I pay the remaining balance for you so you can be able to receive your refund of \$70,000. I don't want to have anything to do with you again . I forgive you for hurting and wasting my time. I cnt be with a man who doesn't trust me and finds it hard to accept his mistakes and fix it. Instead he tries to run away from it . DO WE HAVE A DEAL?

Charlize Theron

,
Jan 18, 7:55 PM

But If you need me for anything,I will always be here

TrinityAries1

,
Jan 18, 8:00 PM

I'm not running away and I'm not asking for a \$70,000 refund. I never did. I only asked about the refund for the payment in December that I paid before the deadline and I was let down and nothing happened. I think it was about £5500 for which I took out a loan.

Charlize Theron

,

Jan 18, 8:07 PM
Do you trust me ?

Charlize Theron

,
Jan 18, 8:29 PM

\$70,000 is the refund we talking about. It comes with compensation too.

Charlize Theron

,
Jan 18, 8:50 PM

Do we have a Deal Mr Christopher ?

Charlize Theron

,
Jan 19, 11:24 AM

Still waiting for your response.

TrinityAries1

Okay

TrinityAries1

,

Jan 19, 6:29 PM

What is your alternative?

Charlize Theron

,

Jan 19, 6:31 PM

I will pay the balance and you get the \$70,000 . And we done for good .

You need to take care of yourself and [REDACTED]. I cnt be with someone who doesn't trust me .

TrinityAries1

,

Jan 19, 6:35 PM

I asked you what's the alternative to the refund please?

Charlize Theron

,

Jan 19, 6:37 PM

I don't know

I have to make the payment first .

TrinityAries1

,

Jan 19, 6:50 PM

I wanted to know what your alternative to the deal is please?

Charlize Theron

,

Jan 19, 6:52 PM

You want the refund right ?

Charlize Theron

,
Jan 19, 6:59 PM

If you pay the balance you still gonna get the refund ,maybe through a btc transfer or home delivery. But If I pay the balance and you receive the refund ,I don't wanna have anything to do with you again .

TrinityAries1

,
Jan 19, 7:05 PM

I'm unable to pay anything. I just wanted to meet you, as originally you wanted to meet me too. That didn't happen, I guess it was never going to happen. I'm sorry I am a disappointment.

Charlize Theron

,
Jan 19, 7:06 PM

Everything is possible. You gave up already. We both want same thing but your mind is so negative that you think everything is nothing but a lie .

You're not a disappointment but a Blessing to me,our kids and the children.

I trust you Christopher,with the whole of my heart. I never stopped,not even for a second. Even when you left me couple of times ,I never stopped . I never changed towards you or change any decisions I made here.

TrinityAries1

,
Jan 19, 7:09 PM

Look I just asked for the £5k refund as I took a loan out specifically for that and it was a waste of time. I have no more money.

Charlize Theron

,
Jan 19, 7:11 PM

It was never a waste of time . You deserve a compensation . So instead of £5k you will be getting \$70,000 . That's a lot of money . They made us waste our time . I threatened to sue them to court. Nobody messes with me .

TrinityAries1

,

Jan 19, 7:13 PM

This would be much easier if you simply phoned me. My heart is aching and I feel so broken.

Charlize Theron

,

Jan 19, 7:14 PM

I will . Trust me ,I will .

Okay . You need to trust me . If you don't trust me it will be hard for me to do what you want .

TrinityAries1

,

Jan 19, 7:19 PM

I still have no money to pay you

Charlize Theron

,

Jan 19, 7:20 PM

You not paying me anything. I never asked you to pay me anything

TrinityAries1

,

Jan 19, 7:57 PM

Okay understood

So where does that leave us?

Charlize Theron

,

Jan 19, 7:58 PM

Everything lies in your hands Christopher.

TrinityAries1

,

Jan 19, 7:58 PM

What do you mean?

Charlize Theron

,

Jan 19, 7:58 PM

Yeah Everything lies in your hands .

What do you want ?

TrinityAries1

,

Jan 19, 7:59 PM

I wanted to meet you

Charlize Theron

,

Jan 19, 7:59 PM

And I want that too.

TrinityAries1

,

Jan 19, 7:59 PM

When?

Charlize Theron

,

Jan 19, 7:59 PM

This Month hopefully

TrinityAries1

,
Jan 19, 8:00 PM
January?

Charlize Theron

,
Jan 19, 8:00 PM
Yes.

TrinityAries1

,
Jan 19, 8:00 PM
Where?

Charlize Theron

,
Jan 19, 8:00 PM

Before the end of the month.

This was my plan . If you get the \$70,000 you will be given a free flight Ticket to Los Angeles. Which includes your compensation too.

I already have everything planned out but I wanted to keep it a surprise until you receive your flight ticket and everything.

Guess I dont know how to keep a secret lol

TrinityAries1

,
Jan 19, 8:04 PM
I'm very grateful to you.
Please keep me updated.
I'm supposed to start a new job next week
The 30th

Charlize Theron

,
Jan 19, 8:06 PM

That won't happen if I pay the balance for you because you don't trust me . But you definitely gonna get the \$70,000 . And that breaks my heart so much

I wish you Goodluck on that love . You deserve better .

TrinityAries1

,
Jan 19, 8:08 PM

It's not a question of trust it's a question of having no money so I guess this won't happen then

I'm not able to pay any money

Charlize Theron

,
Jan 19, 8:08 PM

That's because you don't trust me enough.

TrinityAries1

,
Jan 19, 8:08 PM

I'm out of money and no income for weeks

Charlize Theron

,
Jan 19, 8:08 PM

You said that yourself. And that broke me a lot

TrinityAries1

,
Jan 19, 8:09 PM

It's you that don't trust me enough to meet

That's why you keep making new reasons and tests for me

Charlize Theron

,

Jan 19, 8:09 PM

I do trust you with my life . If I don't trust you ,your name won't be on my fucking Will. Michaels name won't be there too.
Do you even have any idea what am doing here for you. That's because I trust you with my life .

TrinityAries1

,

Jan 19, 8:11 PM

All I know is that I'm in the ropes
I'm depressed and desperate

Charlize Theron

,

Jan 19, 8:11 PM

Why?

TrinityAries1

,

Jan 19, 8:12 PM

You know why

Charlize Theron

,

Jan 19, 8:12 PM

I don't . Please tell me.

TrinityAries1

,

Jan 19, 8:13 PM

I'm not repeating myself again

Good night

Charlize Theron

,

Jan 19, 8:13 PM

Can I ask you a simple question.

Okay Goodnight

TrinityAries1

,

Jan 19, 8:26 PM

What question?

Charlize Theron

,

Jan 19, 8:28 PM

Did you ever loved me ?

TrinityAries1

,

Jan 19, 8:30 PM

Yes I did

Charlize Theron

,

Jan 19, 8:33 PM

Why?

TrinityAries1

,

Jan 19, 8:33 PM

I felt we could do a lot together

Charlize Theron

,
Jan 19, 8:34 PM

And I guess you don't feel that anymore right ?

TrinityAries1

,
Jan 19, 8:35 PM
I have lost heart

Charlize Theron

,
Jan 19, 8:37 PM

But I haven't .

Since you don't feel that anymore or trust me then I think we need to end everything right now . I don't wanna get more hurt again.

TrinityAries1

,
Jan 19, 8:45 PM

You never even threw me a crumb in return for everything I did. There has been no realistic explanation as to why no visa or meeting has taken place after 3 payments in addition to audition payments, especially when dealing with someone successful such as you. Not even a card or gifts for [REDACTED] that you have repeatedly mentioned, so yes I have lost heart. So yes with regret let's draw a line under everything and part for good. I'm unable to pay £3500 for the \$70,000 refund so I shall leave that to you. BTC 35VptwjitMTu3u1DevstXr4XAuPEtAsaS3

Charlize Theron

,
Jan 19, 8:45 PM

Ok

I accept all the blames .

TrinityAries1

,
Jan 19, 8:48 PM

I have to protect my heart from endless heartbreak

When every single thing requires just one more payment before you meet me then it's not for me.

Please pay the fee for the refund and we shall see what happens

I wish you all the best

Charlize Theron

,
Jan 19, 8:51 PM

Ok Well this is the last payment to be made. You get a visa , \$70,000 and Audition. I fucking need you here .

TrinityAries1

,
Jan 19, 8:52 PM

This is what I mean

There's always one more payment you want from me. I feel that it's simply because you are scared of meeting me.

Charlize Theron

,
Jan 19, 8:54 PM

No that's not true and you have to believe me. This is the last payment

TrinityAries1

,
Jan 19, 8:54 PM

Payment from whom?

Charlize Theron

,
Jan 19, 8:59 PM

You

TrinityAries1

,

Jan 19, 9:03 PM

I'm unable to. Please pay the fee for the refund and send refund to BTC 35VptwjitMTu3u1DevstXr4XAuPEtAsaS3 I wish you all the best.

I'm going to leave that with you and leave you to it. I'm not going to contact you again except to say thank you if / when the refund appears. I lost heart and I must protect myself from even more heartbreak.

Good bye

Charlize Theron

,

Jan 19, 9:05 PM

Ok Guess I'm the one with no heart here .

Charlize Theron

,

Jan 19, 9:44 PM

This will be my last time of messaging until you ready to do what needs to be done to get your ass here . Goodluck.

Charlize Theron

Jan 20, 6:52 PM

I really want you to know I have a very bad past and you came into my life when I have lost hope in love . Trust me I'm not after your money or trying to use you. I believe love is all about patience and trust. [SEP] I met so many men who claims to love me for who I am,supported me,made me feel so special for a long time ,but it turns out they all have a negative intentions and everything was like a movie to me,I was used too many times. [SEP] So if you think am doing all this to waste your time or use you then you need to have a rethink . [SEP] There's no amount of money anyone can give to me to make me happy or buy me. [SEP] I worked so hard for where I am today and I can boldly say that I'm proud of myself and I'm a successful woman. [SEP] I believe love comes with giving . Am so scared Christopher but I trust you so much. And I just don't want anyone to see you as the rest. [SEP] I want you to prove to them you different. You have been a part of me that of my kids and the children too. I don't just let anyone come into my life or that of my kids or the children . I can take care of the children myself for years to come. [SEP] Me giving you opportunity to be a part of their life by donating and all that is because of how much I feel for you , I see you as a part of me , My Husband. [SEP] I know it sounds weird but yes you're my Husband. [SEP] I need you to understand that I'm human too,I got heart have been hurt so many times in my life . [SEP] I need you here so much more than anything. Trust me,I believe in you so much more than you believe yourself. And I wanna be there with you to help,support and guide you. I have help you clear every obstacle that will hinder you from reaching the peak. [SEP] I want you to be the one to make the sacrifices required so you can take things seriously.(Financial aspect) [SEP] And trust me you will never regret any actions you have made . [SEP] It's a Promise . I'm writing this with tears in my eyes.

[REDACTED]

Charlize Theron

TrinityAries1

Jan 21, 7:59 AM

Morning sweetheart I made this the other night Vegan madras onion, spring onion, sliced mini bell peppers, chopped string beans, sliced mushrooms all stir fried in toasted sesame oil, then steamed potato cubes, red lentils and toasted tempeh cubes added with water and then madras spices and tomato purée whilst continuing to heat and stir to reduce to a thick sauce consistency. All prepared to the sound of a mantra! Gorgeous, just like you!

This curry has a rich layered heat that clears sinus and other energetic blocks, and prepared from my heart it is also a deep medicine too.

TrinityAries1

I told you a long time ago that something within me has been disconnected and cauterised. I'm grateful for your kind words but "Vger must meet with the creator to evolve." If you ask yourself honestly then you'll know this in your heart to be true.
Good night X

Charlize Theron

,
Jan 25, 9:07 PM

Whatever is happening is not my fault . All I wanna do is help you as a wife should do . And you know that . I have every right not to trust you but I try so hard to fight those reasons . Do you understand. And I will never be with a man who doesn't trust me .

TrinityAries1

,
Jan 25, 10:04 PM

I never said any of it was your fault.

Charlize Theron

,
Jan 25, 10:06 PM

Oh yes that's what you making it look. You clearly told me you don't trust me when it comes to money . That's a big insult and a slap to my face .

TrinityAries1

,
Jan 25, 10:06 PM

I'm just saying that life has worn me down to the knub like Andy Dufresne's rock hammer in the Shawshank Redemption.

Charlize Theron

Jan 25, 10:06 PM

I only want to offer help to you but you don't trust me to do understand.

That's okay . You welcome. I feel it's my responsibility to hold the line for us . I know you needed some time for yourself. I really want you to be patient with me,so I can show you the amount of love I have for you and our Son.

TrinityAries1

,

Feb 7, 9:49 AM

Hello, I had a restless night's sleep last night. How are you?

Charlize Theron

,

Feb 7, 2:27 PM

I'm fine

TrinityAries1

,

Feb 7, 4:29 PM

Tell me the truth sweetheart, if you are going to fib to me about how you really feel

Charlize Theron

,

Feb 7, 7:05 PM

What do you want to know ?

TrinityAries1

,

Feb 7, 7:43 PM

How you really feel?

Charlize Theron

,

Feb 7, 7:45 PM

Alone

TrinityAries1

,
Feb 7, 7:50 PM
How else?

Charlize Theron

,
Feb 7, 7:51 PM
Never mind . Telling you won't change anything .
Do you love me and wanna be with me as my husband ? Please take your time to think before answering .

TrinityAries1

,
Feb 7, 7:53 PM
I was going to say that sharing how you feel and knowing that your heart has been deeply felt, changes everything.

Charlize Theron

,
Feb 7, 7:53 PM
Please answer my question.

TrinityAries1

,
Feb 7, 7:54 PM
I shall, but we were in the middle of something else and it's important that you share how you feel with me first.

Charlize Theron

,
Feb 7, 7:55 PM
Do you really care about how I feel ?

TrinityAries1

,

Feb 7, 7:55 PM

Yes

Charlize Theron

,

Feb 7, 7:55 PM

No you don't

But if you must know . I feel so Alone,Disappointed

TrinityAries1

,

Feb 7, 7:56 PM

Alone and disappointed. Why?

Charlize Theron

,

Feb 7, 7:57 PM

You always leave me when I needed you the most .

TrinityAries1

,

Feb 7, 7:57 PM

I'm fighting with my depression.

Charlize Theron

,

Feb 7, 7:58 PM

Are you done fighting?

TrinityAries1

,

Feb 7, 7:58 PM

So yes, I have left.
From time to time.

Charlize Theron

,
Feb 7, 7:58 PM

And you don't think of me ?

You don't care to know how I feel .

You not the only fighting depression Christopher. But I always stay ,I don't leave like you always do . You leave whenever you like and come back whenever you like. Because you know I will always accept you back .

TrinityAries1

,
Feb 7, 8:01 PM

Actually I do care how you feel. I'm concerned that you are trapped by your reclusiveness.

Very concerned.

Charlize Theron

,
Feb 7, 8:01 PM

Okay

TrinityAries1

,
Feb 7, 8:02 PM

So how else are you feeling?

Charlize Theron

,
Feb 7, 8:02 PM

Sad . We lost a child 3days ago

TrinityAries1

,
Feb 7, 8:03 PM
I'm very sorry.

Charlize Theron

,
Feb 7, 8:03 PM
These are children we are meant to be taking care of. But you always run away

TrinityAries1

,
Feb 7, 8:05 PM
I have, yes.

TrinityAries1

,
Feb 7, 8:07 PM
It's because I am unable to support you financially
It's because I have given you everything I have and I am still not enough for you.
It's because you have not called me.
It's because you have not met me.
It's because I am only just surviving myself.

TrinityAries1

,
Feb 7, 8:12 PM
It's because I feel unloved.

Charlize Theron

,
Feb 7, 8:14 PM

You made yourself to feel that way. But I don't love you the way you want to be loved that doesn't mean am not loving you with my all. Your money is not the reason I choose you. Do you understand that .

TrinityAries1

,
Feb 7, 8:16 PM

How do I want to be loved then?
What is the reason you chose me?

Charlize Theron

,
Feb 7, 8:23 PM

You tell me . Because my heart accepts you among all men who came with Millions of \$. I don't need anyone's money . All the money you sent none was sent to my account but to the children and the visa all for a good cause.

TrinityAries1

,
Feb 7, 8:25 PM

So the 'visa' money was only ever for the children and never for an actual 'visa'?

TrinityAries1

,
Feb 7, 8:35 PM

If that's the case then I forgive you.

Charlize Theron

,
Feb 7, 8:35 PM

The Visa was for the Visa . But you were too impatient
I can never lie to you or try to use you or anyone.

TrinityAries1

,
Feb 7, 9:33 PM
Good night sweetheart X

TrinityAries1

,
Feb 8, 2:05 PM
If you can never lie, then what is the earliest possible date and location for you and I to meet?

Charlize Theron

,
Feb 8, 2:07 PM
I can only give that information only if you'd be able to pay the fee. Or if you are willingly so spend so much in traveling down here .

TrinityAries1
,
Feb 8, 2:09 PM
CTAOP told me this was a scam email account

Charlize Theron
,
Feb 8, 2:10 PM
Oh really ? They did?

TrinityAries1
,
Feb 8, 2:10 PM
Would you like me to share the email with you

Charlize Theron
,
Feb 8, 2:11 PM

Do you even trust me ? Listen you don't have to be talking to me if you don't trust me . I'm not in for any games okay .
If you having doubt about me you can stop texting. Instead of bringing up some stories .

TrinityAries1

,

Feb 8, 2:11 PM

Re_ Crypto Donation _ Scam.pdf

Charlize Theron

,

Feb 8, 2:12 PM

That's nice .

I knew about that long before now .

TrinityAries1

,

Feb 8, 2:14 PM

I have the bank account details for Vicky Garcia as well as the address.

Charlize Theron

,

Feb 8, 2:15 PM

I will always keep thanking you for your support. CTAOP is not the only foundation I support and not the only foundation your donations has been channeled to. So I think it's time to let go you Christopher. If I can trust you ,I don't see why you shouldn't trust me.

Charlize Theron

,

Feb 8, 2:17 PM

And going behind my back to do all this is so heartbreaking. And disrespectful. But I understand the reason for your actions.

TrinityAries1

,
Feb 8, 2:19 PM
Now stop contacting me.

Charlize Theron

,
Feb 8, 2:28 PM
Mind you . I have a life of my own . A private life which no one knows about. Get that into your head . And don't contact me again .

TrinityAries1

,
Feb 20, 4:20 PM
I was always willing to spend money to travel to you.

TrinityAries1

,
Feb 20, 4:31 PM
I have left every time you ask for money recently.

TrinityAries1

,
Feb 20, 5:08 PM
I am no sheep to follow your every step or sycophant.
Nor am I a sycophant
Nor did I sell you out.

Charlize Theron

,
Feb 21, 1:43 PM
Okay

Charlize Theron

,
Feb 23, 8:48 PM

It's so bad you couldn't keep to your words . But that's fine by me . Cux it only takes time for a man to Reveal himself. How's [REDACTED] doing ?

TrinityAries1

,
Feb 28, 12:25 PM

Create enjoyable, empowering, engaging, rewarding and fulfilling motivation.

Charlize Theron

,
Feb 28, 6:33 PM

What do you want from me ?

Charlize Theron

,
Mar 1, 1:22 AM

I still don't understand why you keep messaging me ,after disrespecting me and calling me a scam. So you tell me what you want right now so I can block your ass from contacting me.

TrinityAries1

,
Mar 1, 8:59 PM

My father is in hospital on end of life care. I'm going to think about you and your question and circle back.

TrinityAries1

,
Mar 1, 9:02 PM

I'm so my way home from the hospital now

TrinityAries1

,
Mar 1, 9:16 PM

In the first instance, I deserve a lot more than a \$30 flower bouquet and a bar of chocolate from my wife.
But I was never interested in your money

Charlize Theron

,
Mar 1, 9:16 PM

How's your Dad? I always pray for him .
Really? Wow

TrinityAries1

,
Mar 1, 9:17 PM

He's delirious and in pain

Charlize Theron

,
Mar 1, 9:17 PM

Are you concerned about the cost? Wow I'm disappointed

TrinityAries1

,
Mar 1, 9:18 PM

I'm taking it on the chin. I am disappointed that you never met me.

Charlize Theron

,
Mar 1, 9:19 PM

I am disappointed that you never wanted me. After everything

If you really want to you know what to do .

You don't know what you want Christopher. You accused me falsely and insulted me too

Charlize Theron

,
Mar 1, 9:24 PM

And yes you deserve more than that. You just get your ass here first .

TrinityAries1

,
Mar 1, 9:32 PM
Where is here?

Charlize Theron

,
Mar 1, 9:33 PM
California

TrinityAries1

,
Mar 1, 9:33 PM
Then where?

Charlize Theron

,
Mar 1, 9:34 PM
We can plan that .

TrinityAries1

,
Mar 1, 9:34 PM
Is there an invitation forthcoming?

Charlize Theron

,
Mar 1, 9:35 PM
Yes

TrinityAries1

,
Mar 1, 9:39 PM
I'm going to continue tomorrow as I'm pre-occupied with my dad.
Good night.

Charlize Theron

,
Mar 1, 9:40 PM
Take care of yourself. Don't stress yourself too much. Goodnight

TrinityAries1

,
Mar 2, 7:15 AM
I wanted to merge with you physically, emotionally and spiritually, but I shall not sexually escalate any energies in this area until we meet.

TrinityAries1

Mar 2, 9:00 AM

There is a northern word for the faces models make when walking on catwalks - 'mardy'...

TrinityAries1

,
Mar 2, 9:09 AM

His mental faculties are drifting in and out behind the veil of his stroke so he has not recognised who I am for weeks and does not know where he is. He is in pain, uncomfortable, has lost his dignity. He is suffering and is going to die unless he is given another painful medical procedure that he may well die of during the operation. We are awaiting a second opinion from a more senior consultant, before either proceeding with the procedure or moving him to hospice care. He rarely eats, falls out of bed (they do not have a bed with side bars) and requires 24 hour care, so we cannot bring him home. I have a very open heart and felt his pain in my heart and also in my gut. His vital energy is almost non-existent.

Charlize Theron

LOL

TrinityAries1

Mar 2, 8:00 PM

I swear sometimes your grammar is deliberately similar to that of Nigerian scammers to put the 'ab dabs' on me. :-)
'My name is Agip and the visa is cost'

Charlize Theron

,

Mar 2, 8:02 PM

It's so sad how you always look for something to say to justify your thoughts about me . It's simple . You can stop texting alright. Enough of your insult and disrespect.
We all make mistakes and sometime typo error's.

TrinityAries1

,
Mar 2, 8:03 PM
I'm being playful sweetheart
I know it's a typo
I mean would I buy a visa from a bloke named Agip?
:-)

Charlize Theron

I'm not your rag doll. I paid 3 times already for the visa and each time you had an issue and the process failed. Three payments have already been made so sort the visa out or 'do one'.

That's if you keep expecting same result this time.

TrinityAries1

Charlize, you are the one who is scared not me. Unless you change this picture and stop procrastinating about meeting, unless you stop placing new barriers or making new reasons why not instead of why, nothing will change for you and you will remain alone. Your old patterns are just bullshit - just take this step. Take a leap of faith toward me, I took a life threateningly dangerous leap to you, meet me in the middle. Chose YES MEET CHRISTOPHER IN THE UK, instead of No or face the reality of old age alone, ending up like Gloria Swanson in Sunset Boulevard. Yes - Ouch!

AND I have never been exposed to a relatable Masculine template for a father. So how the F would I know what being a man is? ALL I know is that only a truly masculine man would be able to go through what I have been through, to do the work on myself and be able to be stoic about it. So you do not get to question my masculinity ever - you do not have the authority anymore.

I have been ordered not to work this week and with having no money, I'm grounded at home and just comfort eating. I'm thinking about obtaining some weed, but I know how much that's going to demotivate me even more. For me, my dad died a year ago, the 2 years of lockdowns meant he wasn't mobile or seeing anyone and his spirit left him at least 6 months ago. So I've already processed his passing. I only had slight diarrhoea this morning so I'm probably on the mend. I'm bored, depressed, broke, demotivated and I have genuinely lost heart in anything creative and my only enjoyment is being able to spend time with [REDACTED]. The eulogy has upset me as my extended family wrote a piece about how inventive he was conceiving and designing home tv satellite dish antennas, but the reality was that I designed them as I was the only one who understood the maths to make 3D parabolic co ordinate wireframes, another example of people stealing my light and taking credit for my genius then trying to gaslight me about it when they are too thick to understand the maths. So yeah, add anger to that list. That's my unvarnished truth, I could energise and change my state but why bother when I'm never rewarded for anything I do.

TrinityAries1

Thankyou for being present with me and for being a shinning star.

Here is my eulogy for my dad. **Memories of dad**, I remember as a child in the back seat of a car fighting with Simon and Richard about, "he's sat over my bit," but this stopped when dad turned up one day in a Gold 300 SE Coupe Mercedes Benz. It had a column shift, so this meant there was a middle seat in the front where I sat and felt like a King when it was my turn - all back in the day before seatbelts of course. It was fun at school when the kids would say "Christopher's dad's car has two exhaust pipes - it must be really fast". Cars were a theme with him, purchasing a Mini Cooper weeks before his passing. Of course Dad was self employed and my earliest memory was of a factory called DJ Engineering, one of the asbestos roofed units at Soho Green industrial estate in Wooburn Green, where it was for me at least, impossible to stay clean. Almost everything a boy would touch was about as filthy dirty as any item could be. Words such as "don't touch anything" just wouldn't work on a curious child. A few years later in that factory, he made a Go cart for me to enter a Cub Scout race held at Burnham Secondary School, it was painted silver and adorned a BMW logo cut from a brochure, about the time when had purchased his own BMW, a 528.

It was in this 528 at some traffic lights in Hounslow that he commenced a 'burn up' with a Boeing 747 on a take off run, to the elation and excitement of us boys, punctuated with cries of 'Jimmy for God's sake' from Barbara as he passed 70 miles an hour on the A4! A few years later dad bought an Icom radio transmitter and receiver and set them up in the front room with a long wire out of the window to the end of the garden, this interested me too, so dad bought me an old Trio 9R59DS valve radio set and some headphones. I loved listening to the short wave bands at night with the lights off, as the valves in all different colours of red, blue and purple lit up the wall behind the radio through the slits of its top grille. I would often tune into Voice of America where it was commonplace to hear, "Those dam Commies" etc and then the counterpoint from Radio Moscow would be "Those Capitalist pigs". Followed by BBC World Services commentary of "Diplomatic relations between the United States and the Soviet Union are strained again."

Dad passed a Radio Amateur's examination in early 1981 and gained a callsign G8VPO which he held for the remainder of his life. Dad put up larger and larger antennas in the back garden of every house thereafter. After coaching me to pass my own Radio Amateur's examination in September 1981, he bought me my own transceiver, which I enjoyed greatly. This spurred my own interest in weather satellite reception and with the help of some metallised paint dad supplied, I made my own prime focus satellite dish antenna at school in 1986. Later sharing my knowledge and coaching dad in return for when he began firstly his venture into CU (pronounced ~Kew) band satellite dishes then later with 2d and 2d design templates for when dad decided to enter the Astra satellite television market with dish manufacturing. Dad was Technical Director of Lenson Heath, which at its zenith employed close to 100 people for several years. After hearing stories about how dad would bring his motorcycle into the kitchen, rev it up and make plates fall and smash from the kitchen dresser from vibration, I purchased my own motorcycle, which dad rode around the perilously narrow pathway surrounding our swimming pool in the back garden at 11 Ray Mill Road East, much to my terror! My motorcycle was in due course replaced with a car and as one did at that age, I stayed out later and later. This became a cat and mouse game between dad and I - each trying to outthink each other. Dad would lock me out, I would go in through the garage door. Dad would park his car closer to the garage door, I would push it back. Dad would then put the car in gear. I then made a special tool to turn the key in the front door lock and unlock it. Dad would take the key out, so I climbed on top of the garage to enter through the landing window. This game between dad and I, taught me the stealth skills of knowing exactly where to place one's feet on the stairs to avoid the creaks and the skill of timing the placement of my feet on the steps to mask any sounds beneath the sound of dad's snoring. Eventually dad resorted to sleeping on the sofa to try to catch me in the act of sneaking in. On one occasion when he did wake up. I would flick the room lights on and run for it, being chased by dad in just in his dark blue underpants squinting, blinking and shouting, "This is the last bloody time!" was a truly funny memory for me. After leaving Lenson Heath, dad and mum ventured first into the Loire Atlantique region of France, then the Pas de Calais region. It was whilst convalescing from an illness that I stayed with them for a few months and built some cnc machines to make parts to support another of dad's ventures - steam turbines, which he returned to manufacturing again right up until just a few months before buying his mini cooper and taking his final journey.

TrinityAries1

,
Mar 12, 2:39 PM
[REDACTED] has a cold but he's done his common entrance exam practice and I'm proud of him. He is taking tomorrow off school and I'm back to work (from home). In the office in Trafalgar Square on Friday. I'm sorting through stuff to put on eBay and am listing later. I'm feeling fine, was down this week but did need to process plenty of energies. Working on returning to love in each case.
I'm proud of you too sweetheart X

TrinityAries1

,
Mar 12, 2:42 PM

I'm also building upto inspired action on writing. The method I used to initially write solidly for hours every evening for months. I feel that there is a critical mass of energetic creativity that is building up and it just ignites.

Is there any way I can be of help ?

TrinityAries1

,
Mar 18, 10:22 PM
My ex wife is asking me for more money again.

Charlize Theron

,
Mar 18, 10:22 PM
Why ?

TrinityAries1

,
Mar 18, 10:26 PM

She had a pay cut without a review and kept it from me and didn't seek legal advice as she is in a constructive dismissal situation and potential tribunal proceedings. However as [REDACTED] goes to that school and the fees are discounted, she has given them leverage by not seeking legal advice about it at the time, some two years ago. So she cannot quit.

Charlize Theron

,
Mar 18, 10:27 PM

That's bad
So what do you intend doing?

TrinityAries1

,
Mar 18, 10:28 PM

I know, but I have told her to get her cv updated and get an employment offer elsewhere then confront them for spay increase or face a tribunal
She has disempowered herself and gets angry with me
Any way
How was your day sweetheart ? X

Charlize Theron

,
Mar 18, 10:29 PM

I'm so sorry
Very well love

TrinityAries1

TrinityAries1

Yesterday 8:51 AM
I attempted to install it on my ipad as well as my phone, the username and password are not shared and I cannot recover the password as it seeks to open Apps for sending email not webmail that I use - Ergo I cannot recover my password so I shall not use it.
I'm already setup on Coinbase and verified with my bank account connected.

TrinityAries1

Yesterday 9:05 AM

a BTC address is a BTC address. The blockchain does not care if the source and target apps are different, it only cares about valid blockchain BTC addresses.

I will send you a valid Coinbase BTC address.

TrinityAries1

,

Yesterday 9:07 AM

Here is my valid BTC address

Then paste into you app

Charlize Theron

Yesterday 9:14 AM

Do you even read my messages

TrinityAries1

,

Yesterday 9:14 AM

Charlize Theron

,

Yesterday 9:14 AM

TrinityAries1

,

Yesterday 9:15 AM

This was my Qallet app BTC address, I sent yesterday. **3KPkjzsbfsGRsgK1UVFWZXvLZDFdkdEUo** But I am unable to login again and I am waiting for a password reset link that I can use.

I would prefer you sent funds here 35VptwjitMTu3u1DevstXr4XAuPEtAsaS3

my coinbase is fully verified and connected to a bank account

Charlize Theron

,
Yesterday 9:17 AM

If you receive the funds you can send to coinbase okay . Because you already received the funds from a Qallet app okay .

TrinityAries1

,
Yesterday 9:18 AM

that means you can send the funds to coinbase

Charlize Theron

,
Yesterday 9:19 AM

No I can only send to Qallet because it's my first Transaction. But you can send to Coinbase after receiving from my Qallet . Do you understand love ?

TrinityAries1

,
Yesterday 9:20 AM

Why are you using an unsupported app like qallet?

ignore **3KPkjzsbfsGRsgK1UVFWZXvLZDFdkdEUo** I will create a new account in qallet.

TrinityAries1

,
Yesterday 9:23 AM

I am unable to create a new account as the phone number is already in use.

So unless Qallet offer any support and send me a password reset, I can no longer access the account, therefore do nothing until resolved.

Charlize Theron

,
Yesterday 9:27 AM

But this is a very simple thing to do . Why you making it look hard love.

TrinityAries1

,

Yesterday 9:27 AM

Qallet fails to store the password in the OS

I cannot recover the password

Charlize Theron

,

Yesterday 9:27 AM

You should have used a easy password

TrinityAries1

,

Yesterday 9:27 AM

I cannot create a new account as the mobile number is used

No only secure passwords.

TrinityAries1

I don't know whether to laugh or cry. My heart feels like its been burned with a blow torch from the inside. You have no idea how much I was tormented and teased as a child. I am experiencing a PTSD. I am sorry for how I have been towards you.

TrinityAries1

,
Yesterday 12:14 PM
That was extremely courageous of you, to press on my heart like that with sustained effort for so long. I can feel it healing. I must lie down for a while.

Charlize Theron

,
Yesterday 1:30 PM
You have no idea how much I love you . And how much have been hurt . I only gave you time to prove to me you really do love and deserve me and you proved that . So you deserve more and more of my love and all I have in stock for you and our son [REDACTED].

TrinityAries1

,
Yesterday 2:18 PM

Bless your heart sweetheart. You have no idea how much energy is moving through my heart and head at this time. I feel overwhelmed and exhausted now and have to rest for some time.

Charlize Theron

,
Yesterday 2:19 PM
I'm glad
But I was a little bit angry at you yesterday. But I forgive you

TrinityAries1

,
Yesterday 2:38 PM
I was being an arse yesterday.
Today I am humbled.
My consciousness has moved deeply into my heart and I'm a bit unsteady at the moment.
How are you feeling sweetheart? X

Charlize Theron

,
Yesterday 2:50 PM
You forgot about the children . I only asked for £200 upwards but you were so harsh towards me .

TrinityAries1

,
Yesterday 2:53 PM
Sweetheart I have nothing until I'm paid.

Charlize Theron

,
Yesterday 2:55 PM
When is that ?
But I know you too well love . If you really wanted to send you will look for a way .

TrinityAries1

,
Yesterday 2:56 PM
Nothing accessible until I'm paid

Charlize Theron

,
Yesterday 3:03 PM
When are you getting paid?

Charlize Theron

,
Yesterday 3:46 PM
What do you intend doing with the money love ?

TrinityAries1

,
Yesterday 3:54 PM
At the moment I have no access to it.

TrinityAries1

,
Yesterday 6:36 PM
Qallet states that there is \$156037 yet when attempting to send to another BTC address the app states there is no balance.
When I attempt to purchase BTC from the \$156037 the app states that the Buy function is unavailable.
Qallet support are unhelpful. So the "money" you sent after I asked you not to, is not available to me.

TrinityAries1

,
Yesterday 7:32 PM
2hrs of so called support and no resolution from Qallet.

TrinityAries1

,

Yesterday 7:34 PM

You can make whatever conclusions you want from that.

Charlize Theron

,

Yesterday 8:18 PM
