[18/10/2023, 10:30:43] +1 (213) 262-3182: You're never a slave to me but my husband.
[18/10/2023, 11:36:28] Christopher Chalmers: The issue is that I have been conditioned into wearing a garment of consciousness that is made of illusions, but until I'm able to fully see it and reconnect with the original emotions that created the illusion, I'm experiencing difficulties letting it go.
Until then I'm enslaved by this self created illusion, created to protect me, but now harming me.
[18/10/2023, 11:42:18] Christopher Chalmers: In the rare occasions when I have almost broken free. I'm then targeted (through patterns in my own unconscious) to punish masculine behaviour.
That makes me feel a raw anger that is the result of a perception of an illusion that I must be made to retreat to my former position and fear making such a move again.
That's my slavery.
Debt is also slavery.
[18/10/2023, 11:42:58] Christopher Chalmers: Asking me for money is asking me to suffer for others
[18/10/2023, 11:43:42] Christopher Chalmers: My ability to deal with setbacks has been broken also.
[18/10/2023, 11:46:01] Christopher Chalmers: Finding a way to regrow is what is needed.
