1. Introduction:

Operation Atomic Bombshell *(Atomic Blonde / Bombshell)* is a retrospective report into a privately (unwillingly) funded, 28-month long evidence gathering investigation running from 08/08/2021 to 25/12/2023 into a case of either identity based fraud or fan abuse experienced by.

Mr. Christopher Chalmers. Hereafter referred to as either **TrinityAries1** or **Christopher Chalmers** of.

Flat 30, Luna Apartments, 272 Field End Road, Ruislip, Middlesex. HA4 9DL. United Kingdom.

1.1 The Statement:

Refer to: ***Confirmation of Impersonation of Charlize Theron in WhatsApp Chat***

Refer to: ***Qallet Wallet Support Seeking Payment of $5,560 USD to Access False Funds***

Refer to: ***Payments #All (10,08,2021 – 20,10,2023)***

On 02/04/2023 a person having identified themselves on 23/08/2021 and multiple occasions thereafter, as the Hollywood Actress Charlize Theron (see below), hereafter referred to as **Actor 1**, or as Charlize Theron in Google Chat transcripts.

[23/08/2021, 19:48:06] Christopher Chalmers: Are you really Charlize Theron?
[23/08/2021, 19:55:20] +1 (310) 859-9933: Yes I am
And why you doubting me?

In collaboration with.

Apple Store App: **Qallet Wallet**
Associated with: **360 Flykicks Limited**
Company Name: **Qallet Wallet Company Limited**.
UK Registered Company: **13043947**
Registered office address: **Sundridge Hill Farm Sundridge Hill, Knockholt, Sevenoaks, England, TN14 7PP**. Hereafter referred to as Actor 2.

Have both been witnessed and evidenced with a 'Smoking Gun' attempt at defrauding Mr. Christopher Chalmers, hereafter referred to as TrinityAries1, the sum of $5,560 USD.
In addition to the 28-month 'Catfish' of Mr. Christopher Chalmers solely by Actor 1 of over £62,477.61.

1.2 Circumstances & Events

1.2.1 Hollywood Promises

Refer to: ***Payments #All (10,08,2021 – 20,10,2023)***

From 08/08/2021 to 25/10/2023 Actor 1 continuously did 'Catfish' TrinityAries1 for the sum of over **£62,477.61**for promises to setup TrinityAries1 in Hollywood for the production of a movie for about the book called, The Rose Epiphany written by TrinityAries1, and that Actor 1 did also state that she was going to make TrinityAries1 a Hollywood movie star in a lead role opposite Actor 1. Requesting payments for auditions, visas and additional costs. Including multiple requests for payment for a US Visa for a Hollywood job and Auditions. However, until events of April 3rd, 2023, the Actor 1 could not be positively identified as committing fraud.

1.2.2 Offers to Return Funds

Refer to: ***Actor 1 Requesting that TrinityAries1 installs Qallet Wallet***

However, as none of the above promises came true this changed to repeated promises to return the funds (if refund payments were made) with financial 'compensation' using an App from the Apple App Store called Qallet Wallet supplied by Actor 2 via the Apple App store.

Actor 1, April 02, 1:49 PM
$156,000 worth of btc am sure will do a lot for you . So just relax and stop being stubborn
Actor 1, April 02, 1:51 PM
Get this installed on your iPhone asap

1.2.3 Collaboration Between Actor 1 & Actor 2

Refer to: ***Actor 1 & Actor 2 Knowledge of Target Qallet Wallet BTC Address***

Actor 1's knowledge of the Qallet Wallet App and confirmation of payment to Qallet Wallet BTC Address **3KPKZJZSBFSGRSGK1UVFWZXVLZDFDKDEUO** supplied by TrinityAries1, which is subsequently in use on Qallet Wallet App by Actor 2 constitutes a link between Actor 1 and Actor 2 to engage in fraud.

TrinityAries1, April 02, 5:50 PM
Send $156,000 to 3KPkzjzsbfSGRsgK1UVFWZXvLZDFdkdEUo
Actor 1, April 03, 10:00 AM
Yes, I already did

1.2.4 Difference Between App Balance and Blockchain Explorer Balance for Target Qallet Wallet BTC Address

Refer to: ***Target Qallet Wallet BTC Address Showing False Balance in App***

Screen shots of Qallet Wallet (supplied by Actor 2) show a successful inflow of $156,037 USD to Qallet Wallet App into BTC Address: **3KPKZJZSBFSGRSGK1UVFWZXVLZDFDKDEUO**

Refer to: ***Blockchain Explorer Showing Empty Actual Balance of Target Qallet Wallet BTC Address***

However, the Blockchain Explorer **confirms that the funds indicated on the same Qallet Wallet BTC Address do not exist**, as there is no visible incoming pending transaction nor is there any indications that of the presence of an actual balance of approx. 5.6BTC or the stated $156,037 USD in funds.

See: https://www.blockchain.com/explorer/addresses/btc/3KPkzjzsbfSGRsgK1UVFWZXvLZDFdkdEUo.

In essence, the Blockchain Explorer page reports: **This address has no activity yet.**

1.2.5 The 'Smoking Gun' Attempt at Fraud

Refer to: ***Qallet Wallet Support Seeking Payment of $5,560 USD***

03/04/2023 Qallet Wallet ask for $5,560 for Private Key to enable 2FA and allow access to $156,037 USD allegedly located at Qallet Wallet BTC Address: **3KPKZJZSBFSGRSGK1UVFWZXVLZDFDKDEUO**.

Refer to: ***Qallet Wallet Privacy Policy (Excerpt)***

Wherein it states (exactly as typed):

5.6 It's mandatory for all first-time users to generate a private key for their wallet to enable them make transactions smoothly.

Note: That it does not state the word purchase and the above is not shown in any Terms and Conditions page.

Therefore, the request for $5,560 of real money to enable 2FA to access non-existent money, constitutes a 'Smoking Gun' attempt at fraud that both Actor 1 and Actor 2 are engaged in.

1.3 The Parties Engaged

Actor 1, April 02, 5:50 PM
You think this is a joking matter?

TrinityAries1, April 02, 6:45 PM
Yes it was a joke ;-)

Actor 1, April 02, 8:59 PM
Really ?

TrinityAries1, April 02, 10:52 PM
Why are you being so cruel

Actor 1, April 02, 10:53 PM
Have you set up the app?

TrinityAries1, April 03, 8:19 AM
I'm already setup on Coinbase and verified with my bank account connected.

Actor 1, April 03, 8:20 AM
Have you set up the Qallet?

TrinityAries1, April 03, 8:25 AM
Its installed yes, but unverified. I will have to verify by uploading documents and connect to a bank account,

TrinityAries1, April 03, 8:51 AM

I attempted to install it on my ipad as well as my phone, the username and password are not shared and I cannot recover the password as it seeks to open Apps for sending email not webmail that I use - Ergo I cannot recover my password so I shall not use it.
I'm already setup on Coinbase and verified with my bank account connected.

Actor 1, April 03, 9:00 AM
That's the only app that I can use to transfer the funds . I have the funds already on my Qallet .

TrinityAries1, April 03, 9:02 AM
what address do you need a BTC address?

Actor 1, April 03, 9:03 AM
Your Qallet btc address

TrinityAries1, April 03, 9:05 AM
a BTC address is a BTC address. The blockchain does not care if the source and target apps are different, it only cares about valid blockchain BTC addresses.
I will send you a valid Coinbase BTC address.

TrinityAries1, April 03, 9:07 AM
Here is my valid BTC address
35VptwjitMTu3u1DevstXr4XAuPEtAsaS3
I sat on Qallet chat waiting for 10 mins and they did not reply to my password reset issue.
35VptwjitMTu3u1DevstXr4XAuPEtAsaS3

Actor 1, April 03, 9:13 AM
It's my first transaction okay . Have been investing for months now for this day . So I have to transfer the whole funds to a Qallet Address first .

TrinityAries1, April 03, 9:14 AM
Double-click ***35VptwjitMTu3u1DevstXr4XAuPEtAsaS3*** *Then copy*
Then paste into you app
35VptwjitMTu3u1DevstXr4XAuPEtAsaS3

Actor 1, April 03, 9:14 AM

Do you even read my messages

TrinityAries1, April 03, 9:14 AM
Test with a small transaction

Actor 1, April 03, 9:14 AM
I have done that and it didn't work .
Can't you get it

TrinityAries1, April 03, 9:15 AM
This was my Qallet app BTC address, I sent yesterday. ***3KPkzjzsbfSGRsgK1UVFWZXvLZDFdkdEUo*** *But I am unable to login again and I am waiting for a password reset link that I can use.*
I would prefer you sent funds here 35VptwjitMTu3u1DevstXr4XAuPEtAsaS3
my coinbase is fully verified and connected to a bank account

Actor 1, April 03, 9:17 AM
If you receive the funds you can send to coinbase okay . Because you already received the funds from a Qallet app okay .

TrinityAries1, April 03, 9:18 AM
that means you can send the funds to coinbase

Actor 1, April 03, 9:19 AM
No I can only send to Qallet because it's my first Transaction. But you can send to Coinbase after receiving from my Qallet . Do you understand love ?

TrinityAries1, April 03, 9:20 AM
Why are you using an unsupported app like qallet?
ignore ***3KPkzjzsbfSGRsgK1UVFWZXvLZDFdkdEUo*** *I will create a new account in qallet.*

TrinityAries1, April 03, 9:23 AM
I am unable to create a new account as the phone number is already in use.
So unless Qallet offer any support and send me a password reset, I can no longer access the account, therefore do nothing until resolved.

Actor 1, April 03, 9:27 AM

But this is a very simple thing to do . Why you making it look hard love.

TrinityAries1, April 03, 9:27 AM
Qallet fails to store the password in the OS
I cannot recover the password

Actor 1, April 03, 9:27 AM
You should have used a easy password

TrinityAries1, April 03, 9:27 AM
I cannot create a new account as the mobile number is used
No only secure passwords.

TrinityAries1, April 03, 9:32 AM
They are replying now

Did you send to the account I cannot access?

TrinityAries1, April 03, 10:00 AM
Why did you send, when I told you to wait?

Actor 1, April 03, 10:00 AM
Yes, I already did

TrinityAries1, April 03, 10:01 AM
"So unless Qallet offer any support and send me a password reset, I can no longer access the account, therefore do nothing until resolved."

Actor 1, April 03, 10:01 AM
Customer service will help you .

TrinityAries1, April 03, 10:02 AM
lets see
and
Thankyou
I am ready to receive

TrinityAries1, April 03, 10:07 AM
I have been praying a lot, so I have to put this in the hands of God.

TrinityAries1, April 03, 10:47 AM
Thankyou, I am very grateful.

TrinityAries1, April 03, 10:51 AM
I am excited and scared

TrinityAries1, April 03, 11:48 AM
I don't know whether to laugh or cry. My heart feels like its been burned with a blow torch from the inside. You have no idea how much I was tormented and teased as a child. I am experiencing a PTSD. I am sorry for how I have been towards you.

TrinityAries1, April 03, 12:14 PM
That was extremely courageous of you, to press on my heart like that with sustained effort for so long. I can feel it healing. I must lie down for a while.

Actor 1, April 03, 1:30 PM
You have no idea how much I love you . And how much have been hurt . I only gave you time to prove to me you really do love and deserve me and you proved that . So you deserve more and more of my love and all I have in stock for you and our son Micheal.

TrinityAries1, April 03, 2:18 PM
Bless your heart sweetheart. You have no idea how much energy is moving through my heart and head at this time. I feel overwhelmed and exhausted now and have to rest for some time.

Actor 1, April 03, 2:19 PM
I'm glad

But I was a little bit angry at you yesterday. But I forgive you

TrinityAries1, April 03, 2:38 PM
I was being an arse yesterday.
Today I am humbled.
My consciousness has moved deeply into my heart and I'm a bit unsteady at the moment.
How are you feeling sweetheart? X

Actor 1, April 03, 2:50 PM
You forgot about the children . I only asked for £200 upwards but you were so harsh towards me .

TrinityAries1, April 03, 2:53 PM
Sweetheart I have nothing until I'm paid.

Actor 1, Yesterday 2:55 PM
When is that ?
But I know you too well love . If you really wanted to send you will look for a way .

TrinityAries1, April 03, 2:56 PM
Nothing accessible until I'm paid

Actor 1, April 03, 3:03 PM
When are you getting paid?

Actor 1, April 03, 3:46 PM
What do you intend doing with the money love ?

TrinityAries1, April 03, 3:54 PM
At the moment I have no access to it.

TrinityAries1, April 03, 6:36 PM
Qallet states that there is $156037 yet when attempting to send to another BTC address the app states there is no balance.
When I attempt to purchase BTC from the $156037 the app states that the Buy function is unavailable.

Qallet support are unhelpful. So the "money" you sent after I asked you not to, is not available to me.

TrinityAries1, April 03, 7:32 PM
2hrs of so called support and no resolution from Qallet.

TrinityAries1, April 03, 7:34 PM
You can make whatever conclusions you want from that.

Actor 1, April 03, 8:18 PM
What?
Have you contacted the customer service?
